DUOVENT

(DOUBLE GLAZED WINDOWS)

An unique product in the world
DUOVENT glass with more
than 80 different textures
welcome to the luxurious.

Double-glazed windows
comprise of two panes of glass
that are separated by a spacer bar.

ANTIQUe MIRROR GLASS

We offer a range of incredible collections of high-quality antique mirrors glass for architectural and interior design projects.

CRACKLED ICE GLASS

This type of glass creates an impressive focal point for any room, adding that extra wow-factor.

Cracked ice glass is constructed using three layers of toughened glass, combining the strength of both the toughening and laminating process.
