

1. Installation should be performed by a licensed professional
2. ALL POST FITTERS ARE DESIGNED TO BE USED ON A 3" OUTSIDE DIAMETER POST
3. Unpack the post mounted fixture and simply fit onto a 3" diameter post.
4. Our post fitters measure 3.5" in diameter hence allowing the customer to simply slide the fixture onto the post
5. For fixtures that come with a cradle – see drawing A
6. For fixtures that come with a casting – see drawing B
