NEW STYLES SPIN

After witnessing the spring-summer 2022 collection of the biggest fashion runways, we are sure to see some revolutionizing trends. As we slid into 2022 we are forthwith getting the vibes of a fashionable year ahead. Here are the trends that were worth eulogizing.

YELLOW ALL THE WAY

The summer spring 2022 runway was sunny, to say the least as we spotted a lot of outfits in monotone yellow colour and we are excited to see this colour in our wardrobes very soon. This is not the first time we have seen a colour trending and it would be a new and exciting challenge to see yellow all over.

SPICY CUTOUTS

The cutout trend would be utilized to go a level hotter this year. This trend gives us a pure feminine vibe, to say the least.

SOLID MANIA

Even though there will be dramatic shifts in styles, but what remains constant are solid colours. Poppy shades of colours will be ruling 2022 and that is to say, solid colours are always here to stay.

MICRO MINIS

Seeing this style of the early cipher on the runway got everybody excited. The low waistbands and high hemlines can still be designed in a lot of ways, with a lot of different tops. This style can be included both in casual as well as party wear ensembles.

All the reasons to sparkle

Marking a revolutionizing change, these trends are the ones we never saw coming in 2022 in the jewellery section. Keep reading to know what will be gleaming in 2022.

ZODIAC SIGN PENDANTS

This will be a fashion hit this year as people have always been wanting to show off their zodiac sign. However, the size of the pendants will be a personal choice.

HEAVY PENDANTS

Pendant resolution is on its way this year. The pendants will not only be bigger but also heavier. They will become the center of attention of the outfits. Get ready to change all your subtle pieces and adopt these new heavy chunk ones.

CHARMS BRACELETS

We never got enough of them when they earlier were in trend and we are sure to still never stop loving them. The good news is that charm bracelets are paving their way back into fashion.

LARGE STONE RINGS

Your cocktail rings are officially back and with a bang. Say hello to the newest trend that you would like to wear way beyond 2022. You can watch out for ranges of unique and vintage-looking rings.

THE TRANSFORMATION OF STAPLES

Besides being an essential accessory for day to night outfits, bags also need to be Insta-worthy. Fortunately, 2022 trends have something for everyone that suits their fashion preferences. Ahead, are the top bag trends for 2022 you'll be seeing soon.

WOVEN TO PERFECTION

Ultimate summer purchase for the summers that revives the memory of typical straw bags.

HIPPIE HEELS

Heels have been a favourite thing in wardrobe for ages. But now it's time to indulge in some architectural touch to those hot and sexy heels.

HIGH ON BOOTS

Those small details! Lean into the forever high boots with a sparkly addition, to keep your look classy.

MUST SNEAKERS

With amplified details, iconic loafers have got a metallic take on traditional that is sure to be a versatile staple in your wardrobe.

NEUTRAL LOAFERS

With amplified details, iconic loafers have got a metallic take on traditional that is sure to be a versatile staple in your wardrobe.

"As we are moving forward into the new year, we are going to see a lot more changes in our fashion preferences from head to toe. From solids to embellishments and poppy to neutral, 2022 trends are surely going to appeal to our instant wardrobe update. Besides, one will also be seeing exciting revisions in the bag and shoe segment while keeping the sustainability element intact. When the style and accessories departments are upping their game, there is also going to be a personalized touch in jewellery section. And I am very excited to bring these trends with my upcoming collections and see how women will be styling them in different ways."
