

MP3020

LARGE SPOT FOR A WIDE RANGE USAGE VERSATILITY

EXPERIENCE AND INNOVATION
SINCE 1948

MP3020

MEDICAL LED LIGHT

The **MP3020** was developed out of the great FARO experience, a lamp **with a very wide lighted field** and with the same excellence characteristics that characterise all FARO TECH LED range lamps.

MP3020 is a powerful technology scalytic lamp with an **advanced LED technology**, designed specifically for different uses, in particular in the following sectors: **cosmetic, veterinary, medical, podological**.

FIELD UNIFORMITY

Thanks to the exclusive **reflected light optical project**, through the 258 small reflecting facets of the two parables, the MP3020 **avoids direct vision of the 2 LED from the light source**.

The lamp, at a distance of 1 meter, achieves a uniform lighted field of 300 x 200 mm.

TECHNOLOGY AND DESIGN

THE LED TECHNOLOGY (LIGHT EMITTING DIODE)

LED technology is present and future lighting, low maintenance cost, high energy efficiency up to 50.000 hours of use.

LUX	From 3.000 to 35.000
SCIALYTIC EFFECT	Ellipse of only 9x6 mm

PROGRESSIVE ADJUSTMENT OF LIGHTING

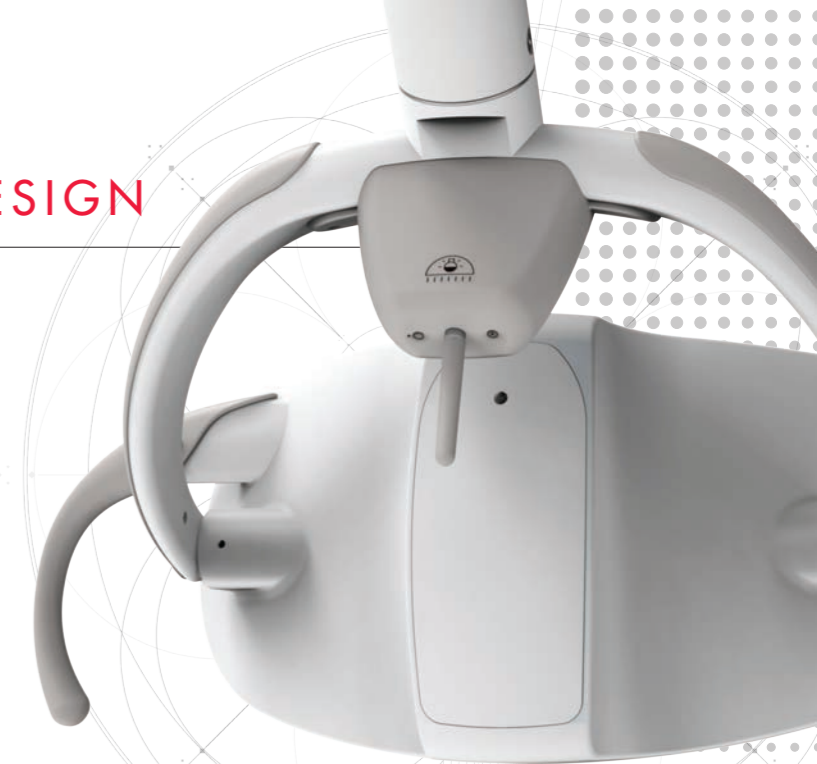

The new **electronic lighting control**, activated via joystick or sensor, **adjusts the light** from maximum to minimum power continuously, **maintaining constant colour temperature**.

3D ROTATION

Perfect balancing, combined with the **exclusive 3D rotation system** of the head on its optical axis, ensures **optimal precision** for **light beam orientation**, **reducing the risk of glare to a minimum**.

INSTALLATION

Thanks to a wide range of accessories MP3020 is **available for WALL, CEILING and FLOOR applications**.

LED TECH TECHNOLOGY

THE PROGRESSIVE ILLUMINANCE ADJUSTING

HANDLES REMOVABLE AND AUTOCLAVABLE

3D ROTATION

TECHNICAL FEATURES

TECHNICAL SPECIFICATIONS*	MP3020
POWER SUPPLY	24 Vac - 50/60Hz - 24Vdc
ABSORBED POWER	Max 9 VA
LUX	From 3.000 to 35.000 (from the distance of 1 m)
LIGHT SPOT DIMENSION	300 x 200 mm (at 1 m of distance)
COOLING SYSTEM	Static heat sink (no fan required)

Medical Device – class 1

Limited Warranty. Check the general conditions of sale and user manual.

*(The above specifications are typical values subject to tolerance)
