

055/050 Clair chair

The unique, folding and extending legrest provides unrivalled comfort and maximum Patient and Operator access within a very compact footprint.

050 CLAIR with Twin-articulating headrest

Folding and extending legrest safety feature ensures that the legrest retracts if contact is made with any object

Hygienic, seamless upholstery on headrest, backrest and seat sections for optimum infection control

Lumbar support ensures comfort for a Patient during extended treatments

Wheelchair access from either side of the chair is made possible by Clair chair's unique combination of an inclined chair and opened armrest

The **telescopic base** is a superior, elegant design solution for easy hygiene maintenance – smooth, white surfaces, with integrated foot controls

Foldaway, detachable armrests

Folding and extending legrest enables the easiest Patient entry/exit via the front or either side of the Clair chair.

uniquely ideal :

055/050 Clair chair

Patient-friendly chair offering the most pleasant consultation position possible.

055 Power headrest

050 Twin-articulating headrest

Ultra-slim backrest improves Operator's working comfort

Integrated foot control stalks for chair movements including two programmable presets, Last-Position memory and Auto-Return

055 CLAIR with Power headrest

All-over smooth, easy-clean surfaces for best hygiene maintenance

Chair movements are synchronised and smooth, eliminating the anxiety and insecurity that is common among Patients. Lumbar support and the extending legrest provide sheer comfort for the Patient as the chair changes position.
