ACCESSORIES COLLECTION

A journey through the sources of inspiration that have accompanied the Brand in defining its personal concept of living: places and eras loved, reminisced, cited, and found in each of the elements that make up its furniture and home décor collection. The essence of ELIE SAAB Maison reveals as never before its cosmopolitan nature, the result of the virtuous union of different cultures, united by the pursuit of perfection, whether stylistic, aesthetic, or material. The dominant motif, dear to Elie Saab, is Art Déco. Simplicity, purity, symmetries, all without sacrificing the richness, the opulence, of new materials and workmanship.

Un viaggio attraverso le fonti di ispirazione che hanno accompagnato il Brand nella definizione del suo personale concetto di living: luoghi ed epoche amati, ricordati, citati, e che si ritrovano in ciascuno degli elementi che compongono la sua collezione di arredamento e home décor. L'essenza di ELIE SAAB Maison mostra come non mai la sua natura cosmopolita, frutto dell'unione virtuosa di culture diverse, unite dalla ricerca della perfezione, stilistica, estetica, materica. Il tema dominante, caro a Elie Saab da sempre, è l'Art Deco. Semplicità, purezza, simmetrie, senza rinunciare alla ricchezza, all'opulenza, di materiali e lavorazioni nuove.
