

Thank you for purchasing the Bluetooth Adapter for the ProChrono Digital Chronograph

1. Bluetooth Technology is compatible with Apple iOS (iPad 4 or newer & iPhone 4s or newer) & most Android devices.
2. Download the App. Go to the Apple App Store or Google Play & search for "Digital Link" by Competition Electronics.
3. Install 3 AAA Batteries in the Digital Link Module. The red power LED will blink when the batteries are low.
4. Install rubber bumper pads to the chronograph as shown. **(Fig. 2)**
5. Mount Digital Link to the chronograph with the velcro strap **(Fig. 1)**
6. Insert the 3.5mm stereo plug into the jack on the chronograph **(Fig. 2)**
7. Turn on the Module and chronograph.
8. Open the App & wait for the devices to pair. Only one app can be connected at one time.
9. Create and open a shot list to begin.
10. Refer to "About this app" in the app menu for more info.
