IPHONE SHOCKPROOF COMPACT CASE

ROTATABLE BUILT-IN MAGNETIC RING STAND | WIRELESS CHARGING

- Designed for iPhone, with a built-in magnetic ring stand that aligns perfectly with MagSafe chargers, offers a stronger attach experience and faster wireless charging. Moreover, this case attaches to other MagSafe accessories, such as wallets, battery packs, and car mounts
- The phone case with 360-degree rotatable ring stand. So you can easily adjust your Phone to any angle in portrait or landscape view. Free your hands and experience the ultimate convenience, whether watching movies, video calls, or working out
- Crafted from premium TPU material with excellent protection to your iPhone from accidental impacts
- The screen bezels and camera lips well protect Syour iPhone from scratches
- Translucent matte PC back and the polishing layer makes it possible to have a delicate touch
- Pocket-friendly ultra sleek design
- Form fitting design crafted with high precision
- Precise cutouts and tactile buttons ensure quick access and feedback

360° Rotatable Invisible Stand
