Profile

COLLECT MOMENTS. RELIVE MEMORIES.

OUR MISSION

We believe that, “Moments and Memories are the Meaning of Life”. Our aim is to help you make the most of your memories. Because sharing those special moments with those you love can bring happiness and joy to all around you. We love life!

OUR STORY

FROM A HUMBLE BEGINNING TO AN INDUSTRY LEADER

Established in 1977, our award-winning, family-owned business has come from humble beginnings to now become Australia's largest manufacturer of quality timber photo frames. Our products are available in many well-known department stores and retailers across Australia.

We complement our vast range of photo frames with an equally extensive collection of photo albums, as well as decorator wall art and body & bath products sourced from around the world. We aim to deliver the finest quality products known for excellent craftsmanship, quality, and eco-sustainable material at competitive pricing.

WHY US?

EVERY PICTURE TELLS A STORY

Our extensive range of quality timber photo frames and picture frames has earned us the reputation as the leading supplier to the Australian market. For over 45 years, customers around Australia associate a Profile photo frame as a quality product. Included in our range are Australian made solid timber wooden photo frames, acrylic photo frames, metal photo frames and an equally extensive range of Australian natural timber photo frames, that are all carefully handcrafted using the finest materials and with an eye for detail, design and beauty. That is what makes a Profile photo frame so unique!

Special memories and achievements deserve to be put on display in a picture frame that is just as beautiful as the moment on show inside. Whether it be a photo album or a photo frame, we're honoured to play a small part in people's lives, by helping protect and present special moments and artworks on walls around Australia. We'll never lose our vision for this and we sincerely thank-you for choosing our products to help transform your memories, into masterpieces.

EXPERT ADVICE

MEET OUR EXPERT TEAM

Our factory and head office is located in Hornsby in Sydney, Australia, where we take care and pride in the photo frames and picture frames we make because we know that every frame will have a story to tell.

We carefully select a range of Australian and internationally sourced eco-sustainable materials to create our handcrafted timber photo frames that are stylish and made to the highest quality.

As a market leader, our design team also travels all over the globe sourcing products and materials that are unique, functional, and stylish with an eye for the highest quality to bring to our customers the most suitable and desirable designs for the current trends and styles.

We are proud to offer the best quality picture frames on the market. Our photo frames are carefully constructed to preserve what is displayed within them for years to come. When you purchase any products from Profile Australia, you can rest assured of our commitment to quality. In fact, we are the only Australian picture frame manufacturer in our industry with an ISO:9001 Quality Management Certification.

OUR PRODUCTS

ABOUT OUR TIMBER PICTURE FRAMES

We are the leading supplier of Australian made timber photo frames and wooden picture frames to the Australian and international market. We pride ourselves on providing our customers with perfect timber picture frames that will last a lifetime. Our range has every décor considered from vintage country to sleek modern so you can be assured there is a timber photo frame perfectly suited to your needs within our range. No matter what you are framing, we have your needs covered. Whether you have a family photograph, dried flowers or a vintage article you wish to display, we understand it's not only about framing photographs.

AUSTRALIAN MADE

Our picture frames are proudly made in Australia. Our framing workshop is located in Sydney, and Profile is one of the only Australian picture frame manufacturers which has trade qualified Master Certified Picture Framers® on staff. We also offer a lifetime guarantee on all of our frames as we are so confident of our quality.

100% SOLID TIMBER FRAMES

We're proud to offer the finest quality materials. All of our picture frames are made using quality, 100% solid timber as standard. We don't manufacture cheap plastic frames or use frames that are made from compressed cardboard with thin vinyl wrapping. Our picture frames are gallery-grade quality.

SUSTAINABLE MATERIALS

We care about our environment so all of our picture frames and wall art are made using carefully selected eco-sustainable materials. We only use renewable solid timbers which are ethically sourced from environmentally-managed plantations.

ABOUT OUR PHOTO ALBUMS

We offer an extensive range of quality Profile Photo Albums, Display Albums and the ever popular Baby Photo Albums and Wedding Photo Albums.

They all come in a wide variety of styles and formats for mounting and attaching photos. There are four common types; Slip-in photo albums (also referred to photo pocket albums), Drymount photo albums (also referred to as pergamyn albums, loose-leaf page albums or photo mountable albums), Self-adhesive photo albums, which is a traditional method, and finally a smaller, pocket-sized photo albums commonly called Bragbooks.

All of our photo albums are made with quality materials (acid-free and photo-safe) and are backed by our 'Picture Perfect' lifetime guarantee to ensure that your treasured memories will be protected forever.

ABOUT OUR DECORATOR ART PRINTS

Our boutique range of designer wall art prints can bring life to your home. Beautifully framed prints can transform your interior style to create any mood or vibe you wish to convey. Whether you're looking for a relaxed and peaceful feeling for a bedroom, something fun or uplifting for a kid's nursery or a warm summer escape for a living room, choosing the right framed art prints for your walls can change a room's overall aesthetic and atmosphere.

We proudly produce everything in-house from our print studio and picture framing workshop in Sydney. Our decorator wall art prints are all printed on premium 230gsm fine art photo paper and come either unframed or professionally custom framed and hand crafted by our team, delivered, ready for you to hang straight out of the box.

All our picture frames are produced using only premium quality solid timber in smooth matte white, matte black or raw oak to work into any interior style. We only use eco-sustainable plantation timber and materials to ensure we're protecting our environment.

OUR PRODUCTS

ABOUT OUR BODY & BATH COLLECTION

We are a premium soap seller in Australia. Our exclusive collection of luxurious body, and bath products are sourced from the finest suppliers around the world. Our beautiful collection includes luxurious soaps, candles, body products, gift sets, luxury hand creams, body washes and more.

We supply products from The English Soap Company. All of the luxury soaps are naturally made from pure vegetable oils to which we add generous amounts of vegetable derived glycerine and shea butter from the African Karite tree to ensure that the soap bar both moisturises and nourishes the skin. All perfumes are made in England by expert perfumers and have been designed specifically for the English Soap Company. All bath soaps & body products are generously perfumed with long-lasting quality perfumes.

There's no better way to pamper yourself or spoil someone special than with Profile's range of body and bath products.
