A BRAND NEW YOU PROMOTION THIS MONTH

We Love SkinMedics Anti-Oxidant C-Lipolic Formulation Serum. Formulated by the doctors at SkinMedics, the new product range uses the latest in cosmetic medicine to diminish free radical damage. This serum hydrates the skin, lessens fine lines and wrinkles, balances skin tone and texture... we could go on!

We Love Pure-Col 100 per cent pure collagen capsules. Collagen is the primary support structure of the skin, and as we age collagen fibres weaken, resulting in dry, wrinkled skin with little to no elasticity. Pure-Col capsules are made from pure collagen, which helps the body to produce good tissue while you sleep!
Instore Buy online or call 01243 837355
