### TRIED AND TESTED

The King Cobra 9\* DB-09 Stand Bag I tested is a lovely white/red/grey bag which is very pleasing to the eye and striking in appearance. It is also available in three other colour combinations including black/yellow, black/grey and black/lime green.

The first thing I noticed is that it is extremely well-weighted and the Izzo Comfort Swivel double strap with its three balance points made for a most comfortable carry.

Its full-length side saddle pocket took my waterproofs with ease and the lovely water resistant zippered velour-lined pocket was a joy to place my purse, watch and other value for money.
