WHO ARE WE? WHO ARE WE? WHO ARE WE?

A misspent youth between Brooklyn Whelan, Scott Douglas and Pablo Frenkel led to the creation of Running with Thieves. As kids of the 80's and 90's and a friendship of over 20 years, it was always inevitable a disproportionate amount of beer drinking would lead to a brewery.

Running with Thieves is an environment to try new things with people passionate about their craft. We create and produce premium products without pretension, everything is produced and packaged on site utilising local suppliers and produce. We produce a core range of craft beers and spirits including gin, vodka, whisky and rum. A range of hard seltzers and bottled cocktails have recently launched and we always have something new hiding under the counter.

Thieves is constantly evolving, and our offering is continually being reimagined and realized so your guests can always try something new.

A successful enterprise is only as good as the sum of its parts, world class Head Brewer & Distiller, Paul Gasmier is responsible for brewing and distilling our evolving range of good times.

You're always welcome at Running with Thieves.

No, the minimum spend is food and beverage spend only, the space hire is a separate fee.

How do I pay for drinks on the night?

Drinks will be charged as per your package.

Can we book our own band or DJ?

Unfortunately not. We have a pretty solid music selection so you are in good hands. Unless you are booking the entire venue, and if so, lets talk.

Can I bring any extra decorations?

Generally no, but happy to consider on a case-by-case basis. We strive to be as eco-friendly as possible and are not fans of plastic bags full of helium (nor are the fish). Please consider fresh flowers instead.

What about BYO? Can I bring my own French champagne?

We are a licensed venue which prohibits any BYO – however if you want to add French champagne to your package, we can do that.

Do you cater for dietary requirements?

Absolutely, just give us some notice so our team can create a menu especially for you.

Can I alter the menu selections?

Yes you can. Just make sure to organise it with us prior to arrival.
