Carbon Fiber Series RCA Connector CF-102(R)

FTECH-RCA-72816

Features

- α (Alpha) OCC rhodium-plated center conductor
- α (Alpha) copper alloy rhodium-plated body
- Carbon fiber and nonmagnetic stainless steel housing
- Copper alloy connector body
- Copper alloy set screw
- Specified for cable diameters max. 9.3mm
- Dimensions: 14.0mm diameter x 54.0mm overall length

Specially engineered set screw construction ensures firm contact with Alpha OCC conductor

FTECH-RCA-72816

The Critics Speak

“One last comment has to go to the finish of the connectors ... Tolerances are spot on, the stuff goes in smoothly, locks and unlocks without any undue play ... There's something luxurious and silken about the Furutech connectors. Like fine Swiss watches. ... Since it does perform to a very high standard, getting the tactile satisfaction and pride of ownership bits thrown into the bargain is worth mentioning.
