

FURUTECH

PURE TRANSMISSION

Carbon Fiber Series RCA Connector CF-102(R)

Features

- α (Alpha) OCC rhodium-plated center conductor
- α (Alpha) copper alloy rhodium-plated body
- Carbon fiber and nonmagnetic stainless steel housing
- Copper alloy connector body
- Copper alloy set screw
- Specified for cable diameters max. 9.3mm
- Dimensions: 14.0mm diameter x 54.0mm overall length

Specially engineered set screw construction ensures firm contact with Alpha OCC conductor
