Obbligato

premium oil filled film capacitors

The Obbligato oil filled film capacitors offer a low cost but high quality solution for "old school" style, power supply capacitors. Ideal for valve amp power supplies. Offering a long life and outstanding performance. Radial bodied with leadout terminated. Internal windings are extra tight, using thickly coated aluminium film imported from Germany. Rated at 630Vdc with a tolerance of 5%.

Obbligato premium film in oil cap (630VDC)

Value		Dimensions (L x D) mm
2.2 uF	black case	60 x 40
4.7 uF	black case	60 x 40
6.8 uF	black case	72 x 40
10 uF	black case	90 x 40
22 uF	black case	115 x 45
33 uF	black case	120 x 50
47 uF	black case	120 x 55
68 uF	black case	120 x 60

Obbligato premium film in oil cap (630VDC)

Some value are now WHITE in appearance and use solder tags.

Internally (and sound) there is no difference with the black version. Value
