Moreganic™ Organic Sheets - Product Details

Certified both organic and chemically-safe, Moreganic™ organic sheets don't poison the environment or expose you to hazardous chemicals at night:

- Oeko-Tex® certified free from harmful chemicals and dyes that can react adversely with your skin and respiratory system
- GOTS® certified organic cotton complies with the strictest environmental and social responsibility standards
- Softest organic sheets of any thread count. Softer than non-organic sheets with similar threadcounts
- Coolest 90% of non-organic sheets with similar threadcounts
- Change least of all organic sheets after constant laundering -- softness and coolness don't wash out
- 300 thread count, natural ivory color. Made in India.

The genius of Moreganic™ sheets is a superior construction that does not use toxic chemicals yet is the softest, smoothest organic sheet.

Moreganic™ chemically-safe organic sheets contain no irritants to damage your skin or allergens to trigger allergic reactions or disrupt your hormonal balance. Highly recommended for sensitive skin, eczema or psoriasis.

Available in Twin, Twin XL, Full, Queen, King and California King sheet sets. Also available for baby in Crib size fitted sheets.

FREE SHIPPING BOTH WAYS: You pay nothing for shipment either way to any destination within the continental United States. Enjoy your sheets for 45 nights. If you don't agree these are your favorite organic sheets, return them to us used - we pay the return freight charges. Alaska and Hawaii incur a sensible \$10 freight surcharge. Shipments to Canada and other countries are a bit more than that.
