

Product Specification Guide

Product Name:

COLOR ATELIER MINERAL PRIMER

PRODUCT DESCRIPTION: Premium quality, high-solid mineral based primer for new, and previously painted surfaces. It provides high quality uniform adhesion and improves the appearance of the finish.

Tough all-purpose, mineral matte finish primer. A 100% acrylic for use on interior and exterior surfaces, formulated exclusively for Color Atelier's Lime Paint and Lime Plaster, and any other fine grade, smooth plasters.

Recommended for extra masking or isolation of substrate is required. It helps achieve a more consistent appearance and uniform absorption of Lime Paint.

The primer is most commonly rolled on, can also be brushed, or sprayed.

PROPERTIES:

- Mineral matte finish
- Odorless
- Zero VOC
- Fast drying
- Interior & Exterior use
- Water thinned
- Can be used on wood

The natural state of the primer is white, may be tinted with universal liquid pigments if required.

READ ALL INSTRUCTIONS THOROUGHLY BEFORE USE

As an interior & exterior primer for new or previously painted surfaces such as drywall, plaster, stucco, masonry, and wood.

COVERAGE: Per Gallon the coverage will be approximately 300 square feet in one coat. Dry mil thickness: 1.4 mils/
