

Product Specification Guide

Product Name:

COLOR ATELIER SEALER

PRODUCT DESCRIPTION: Ultimate protective clear coat. Color Atelier Sealer is a clear topcoat that is suitable for lime paint, plaster, tadelakt, stucco, and stone surfaces. It is non-toxic, and water based sealer, provides super durable finish coat. It is designed to protect, and highlight the surface's natural appearance, and will not yellow over time. Sealer allows these surfaces to resist marking and staining, making these finishes wipeable. It is recommended for high traffic areas such as bathrooms and kitchens. It is durable, quick drying, easy to apply, and will not yellow over time.

READ ALL INSTRUCTIONS THOROUGHLY BEFORE USE

COVERAGE: One Quart will cover approximately 100 to 150 sq ft in one coat depending on the surface, and application. Can be diluted according to use.

INSTRUCTIONS FOR USE: After all painting and burnishing is completed, you may seal the walls. Make sure the walls have dried and cured for at least 24 hours. Stir the sealer thoroughly prior to use. Simply apply the sealer with a lime brush in a random or "crows feet" method, and brush the sealer on section by section, back wipe any excess and rub in using a circular motion with a lint free cloth. The process is simple and quick, simply do not over work it. One or two coats of sealer are recommended. Allow sealer to dry for a couple of hours in between coats. Polish again with a dry cloth just as the last coat dries. Darkens color until dry.

SURFACE PREPARATION: All surfaces must be firm, dry, and cleaned free of dust, dirt.

MAINTENANCE: Remove surface dust to clean. To renew protection, apply the product every two to three years

COLOR: Appears milky white in can, dries clear. Always perform a test sample before use as a slight color variation may occur.

NOTE: Do not apply when surface or ambient temperature is below 41 degrees Fahrenheit or above 93 degrees Fahrenheit.

DRYING TIME: Allow to dry 2 hours between coats.

CLEAN UP: Immediately after use with hot, soapy water.

STORAGE: Keep tightly sealed. Store at the room temperature. Protect from freezing. Rotate stock every 90 days.

OPENING: Cut through slots on lid. Pry lid up at slots. To close, snap lid down firmly. Mix before decanting or use.

CAUTION: Keep out of reach of children. Do not take internally.

NOTICE: We shall not be liable for incidental or consequential damages, directly or indirectly sustained, nor for any loss caused by application of these goods not in accordance with current printed instructions or for other than the intended use. Our liability is expressly limited to replacement of defective goods. Any claim shall be deemed waived unless made in writing to us within 30 days from the date it was or reasonably should have been discovered.
