# CLEANS AIR. BEAUTIFULLY.

Know the air quality **real time.**

## The all-new Resideo Air Purifier

not only eliminates indoor air pollutants like dust, allergens, cooking-smoke, VOCs, etc., but also enhances your home environment, so that you can breathe clean and live healthy.

Families spend **90%** of the times indoors and indoor-air can be up to **5 times** more polluted than outdoors.

As per Environmental Protection Agency, we breathe **13-14 kg of air** everyday, which is **7 times** more than the food we eat or the water we drink. So breathe healthy as every breath matters.

Know the air quality **real time.**

# NICE, BIG & BOLD.

## INTELLIGENT SENSORS WITH DIGITAL DISPLAY

Get real-time air quality updates with strong laser sensors along with real-time PM2.5, PM10 and CADR levels at different fan speeds on the digital screen. Also, the indicator around the digital screen indicates the air quality levels:

- AQI level above 150 (extremely unhealthy)
- AQI level between 75 & 150 (moderately unhealthy)
- AQI level below 75 (healthy)

(AQI levels mentioned for PM2.5 display)

## CLEANS 60 m<sup>2</sup> IN 20 MINUTES WITH CADR OF 500 m<sup>3</sup>/hr

With an uninterrupted and high Clean Air Delivery Rate, it ensures you only breathe more clean air.

## SMART AUTO MODE

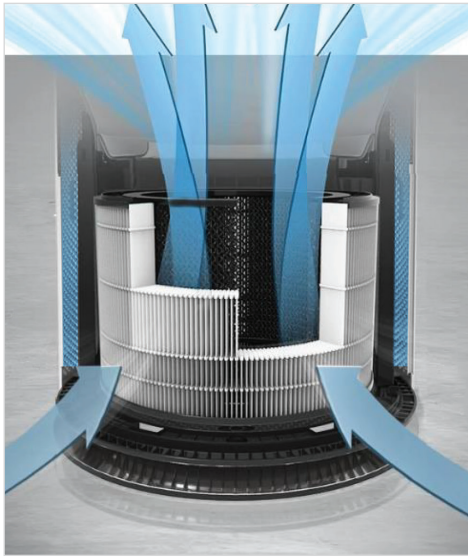

In auto mode, the intelligent sensors sense the real time air pollution levels and adjust the fan speed accordingly without any prompt.

## QUICK AND EASY FILTER CHANGE

Low maintenance, easy-to-change filters with built-in notifications for a filter change.

# Purity that's near **PERFECTION**

## **ADVANCED 3-STAGE FILTRATION FOR MAXIMUM CLEAN AIR**

**Stage 1:** The pre-filter captures the large breathable particles like dust, hair and pet dander

**Stage 2:** HEPA-filter filters, 0.3 micron, small floating particles such as dust, pollen and smoke with 99.7% efficiency

**Stage 3:** Active carbon-filter effectively removes all harmful gaseous pollutants like formaldehyde, VOCs, etc.

## **SLEEP MODE**

With dimmed display, it monitors and purifies the air using the quietest setting.

## **SIMPLE OPERATION WITH REMOTE CONTROL**

Simple action keys give added convenience and easy control.

FEATURES	DESCRIPTION
Model	RESI 1618
CADR (Clean Air Delivery Rate)	500
Max Coverage sq mtr	60
ACH (Air changes per hr)	3 times, Cleans air in recommended room size every 20 mins
Type of filters	Pre-filter, HEPA-filter, Activated Carbon-filter
Filtration efficiency	99.7% for particle pollutants down to 0.3 micron
Air quality indicator	Colored-LED and Real time AQI - Digital Display
Sensor	LASER Dust Sensor
Filter change indicator	Yes
Remote control	Yes
Fan speed	Sleep - 1-2-3-AUTO
Timer set-up	1, 2, 4 & 8 hrs. option
Auto mode (completely automatic mode)	Yes
Sleep mode (extra silent)	Yes
Child lock	Yes
GB certified	Yes
Noise level	55 dB
Warranty	24 months
Filter life	2000 hours
Power(W)	55W
Unit weight	8.8 kg

## ABOUT RESIDEO

Resideo is a leading global brand that provides critical comfort and security solutions primarily in residential environments, while also redefining the connected smart home experience for consumers. Built on a 130-year old heritage, Resideo has a presence in more than 150 million homes, with 15 million systems installed in homes each year.

Our ADI Global Distribution business is the leading wholesale distributor of security and low-voltage products.
