

# UH34 SE Datasheet

## Yealink USB Wired Headset

The Yealink UH34 SE, available in monaural (UH34 SE Mono) and binaural (UH34 SE Dual), is a professional USB-wired headset with crystal-clear audio. The UH34 SE offers a lightweight form factor that is comfortable to wear, even for an entire workday. It's suitable for workers who spend a lot of time wearing headsets for voice communications. Provided with Yealink USB Connect software and Yealink Device Management Platform/Cloud Service, you can easily check the device information and upgrade the firmware of one or multiple UH34 SE headsets.

## Key Features

### Simple and Flexible Connectivity

Runs right out of the box, and a USB plug-and-play setup makes the connectivity to the PC. You can enjoy a reliable call experience with soft clients. Perfect match with Yealink IP phones give

you optimized audio quality.

### Ultra-lightweight, All Day Wearing Comfort

Built for comfort with soft ear cushions and ultra-lightweight materials, the UH34/UH34 Lite is 10%~30%\* lighter than other headsets in the same range. Its ergonomic design makes this headset comfortable enough for long conference calls and all-day use. (\* Test data provided by Yealink Lab)

### Unparalleled Audio Experience

Made for calls and music, UH34/UH34 Lite is kitted out with a high signal-to-noise ratio speaker and independent cavity design. The passive noise cancellation creates a richer and clearer conversations with reduced background noise.

### Intuitive Controller

The hand-held controller with LED indicator provides easier access to key call control capabilities, including answer call, end call, reject a call, and mute/unmute.
