

GroveTM
INSTALLATION GUIDE

1 Assemble Light

Snap both magnetic mounting brackets onto the ends of the light body

Brackets allow for 360 degree rotation for optimal versatility

For detailed product guides and installation video follow the QR code

2 Install Light

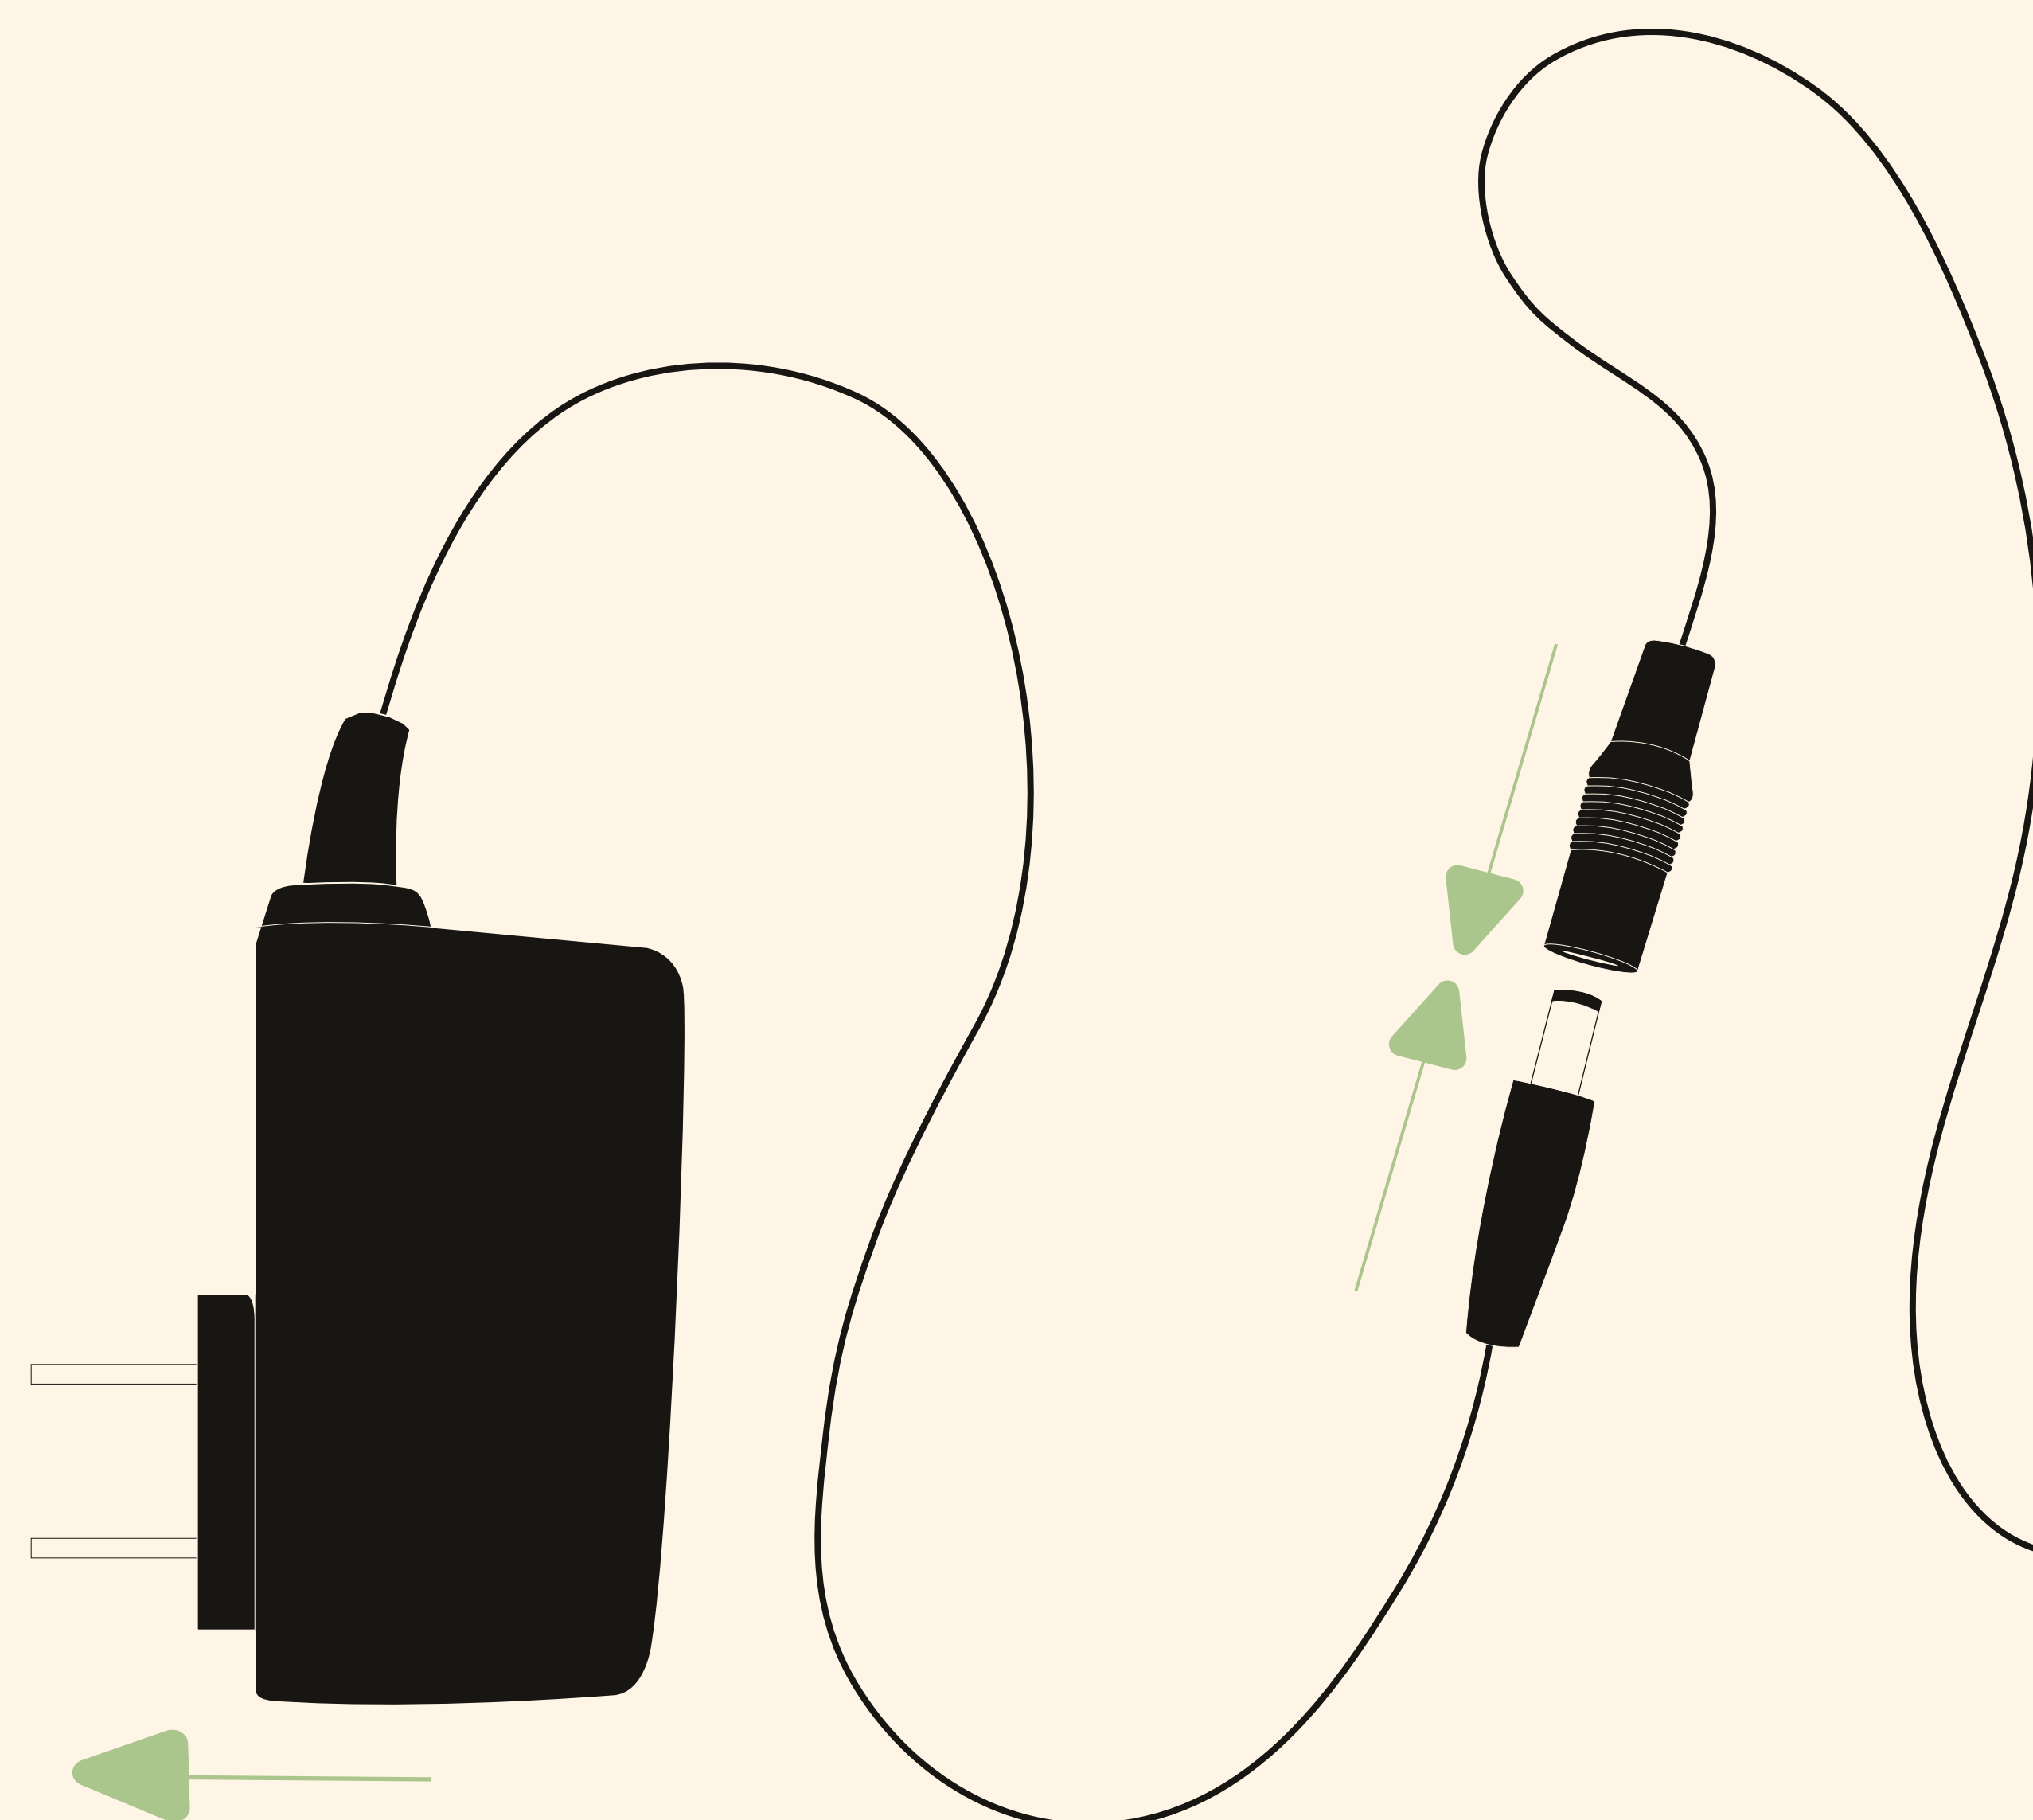

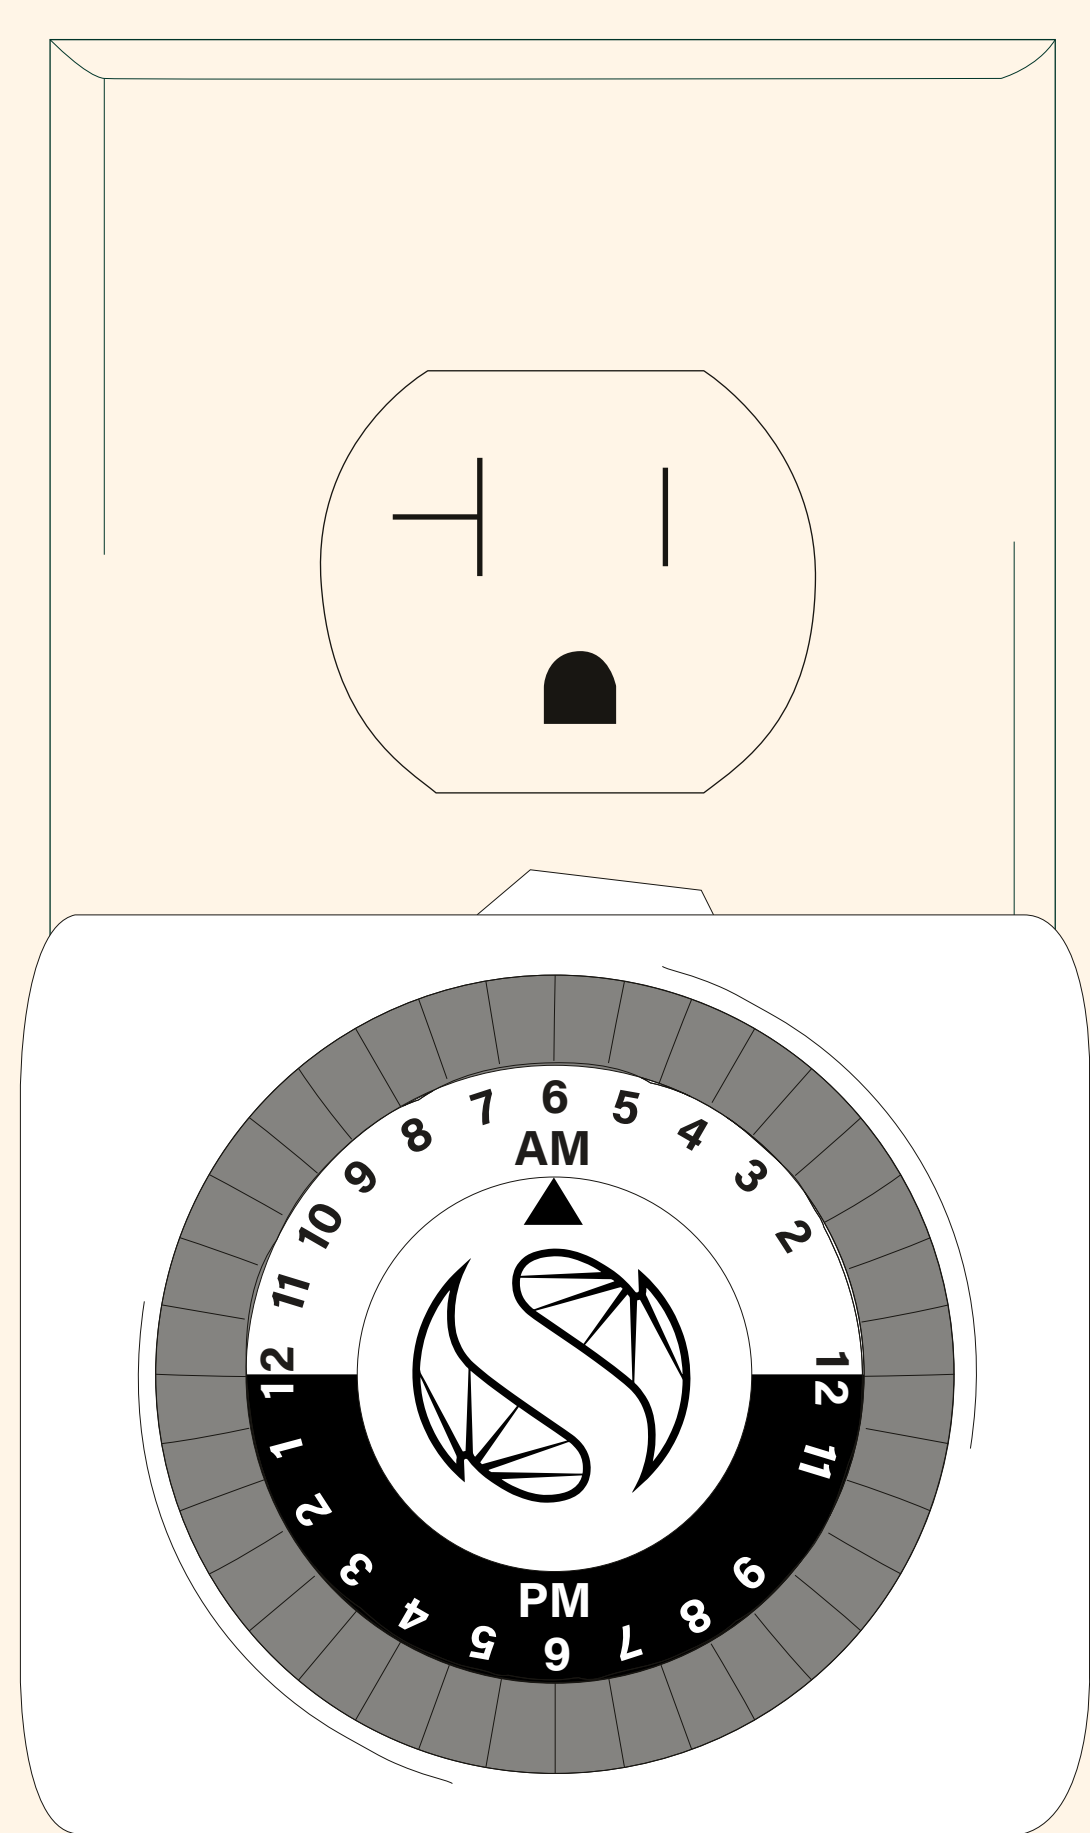

Clean and wipe dry mounting surface

Peel off the adhesive cover and stick to surface

Press & hold down brackets for 15 seconds

3 Connect Power

Screw Options
For different screw mount options, please use the included template found in the directions packet

4 Cable Management

Clean and wipe dry mounting surfaces

Peel off the adhesive cover and stick to surface

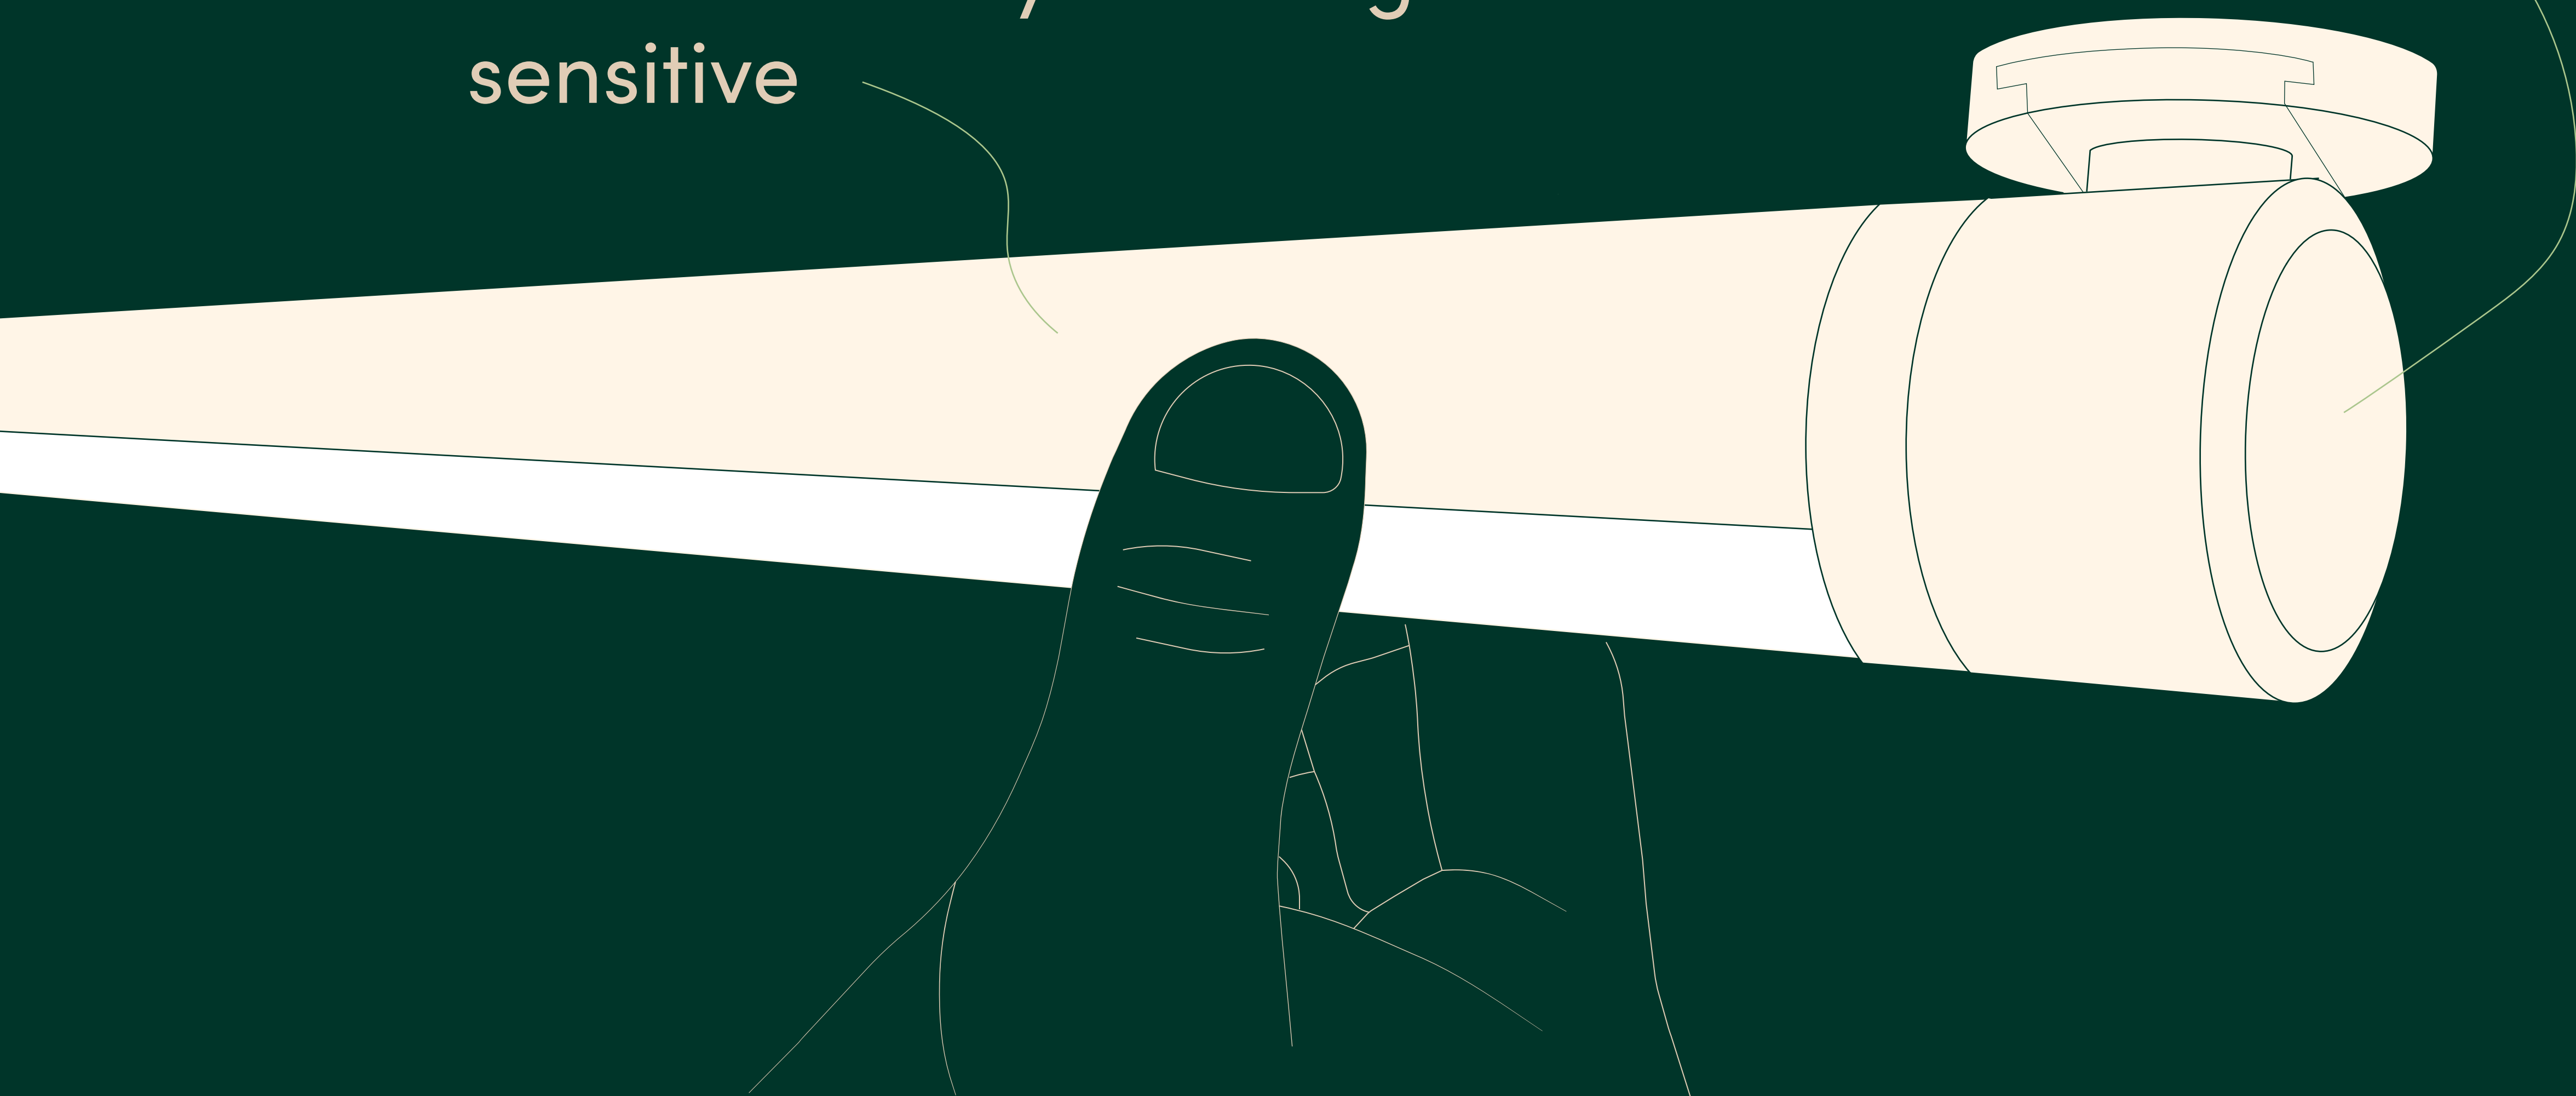

Press & hold for 15 sec.

5 Touch Features

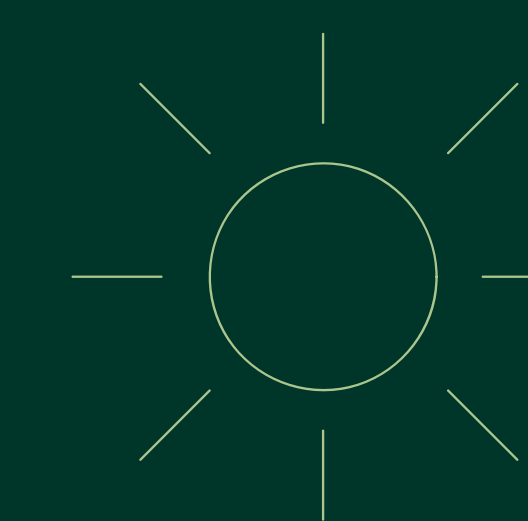

The main body of the light is touch sensitive

Touch features will NOT work on the mounting brackets

ON / OFF

quickly double tap the main body

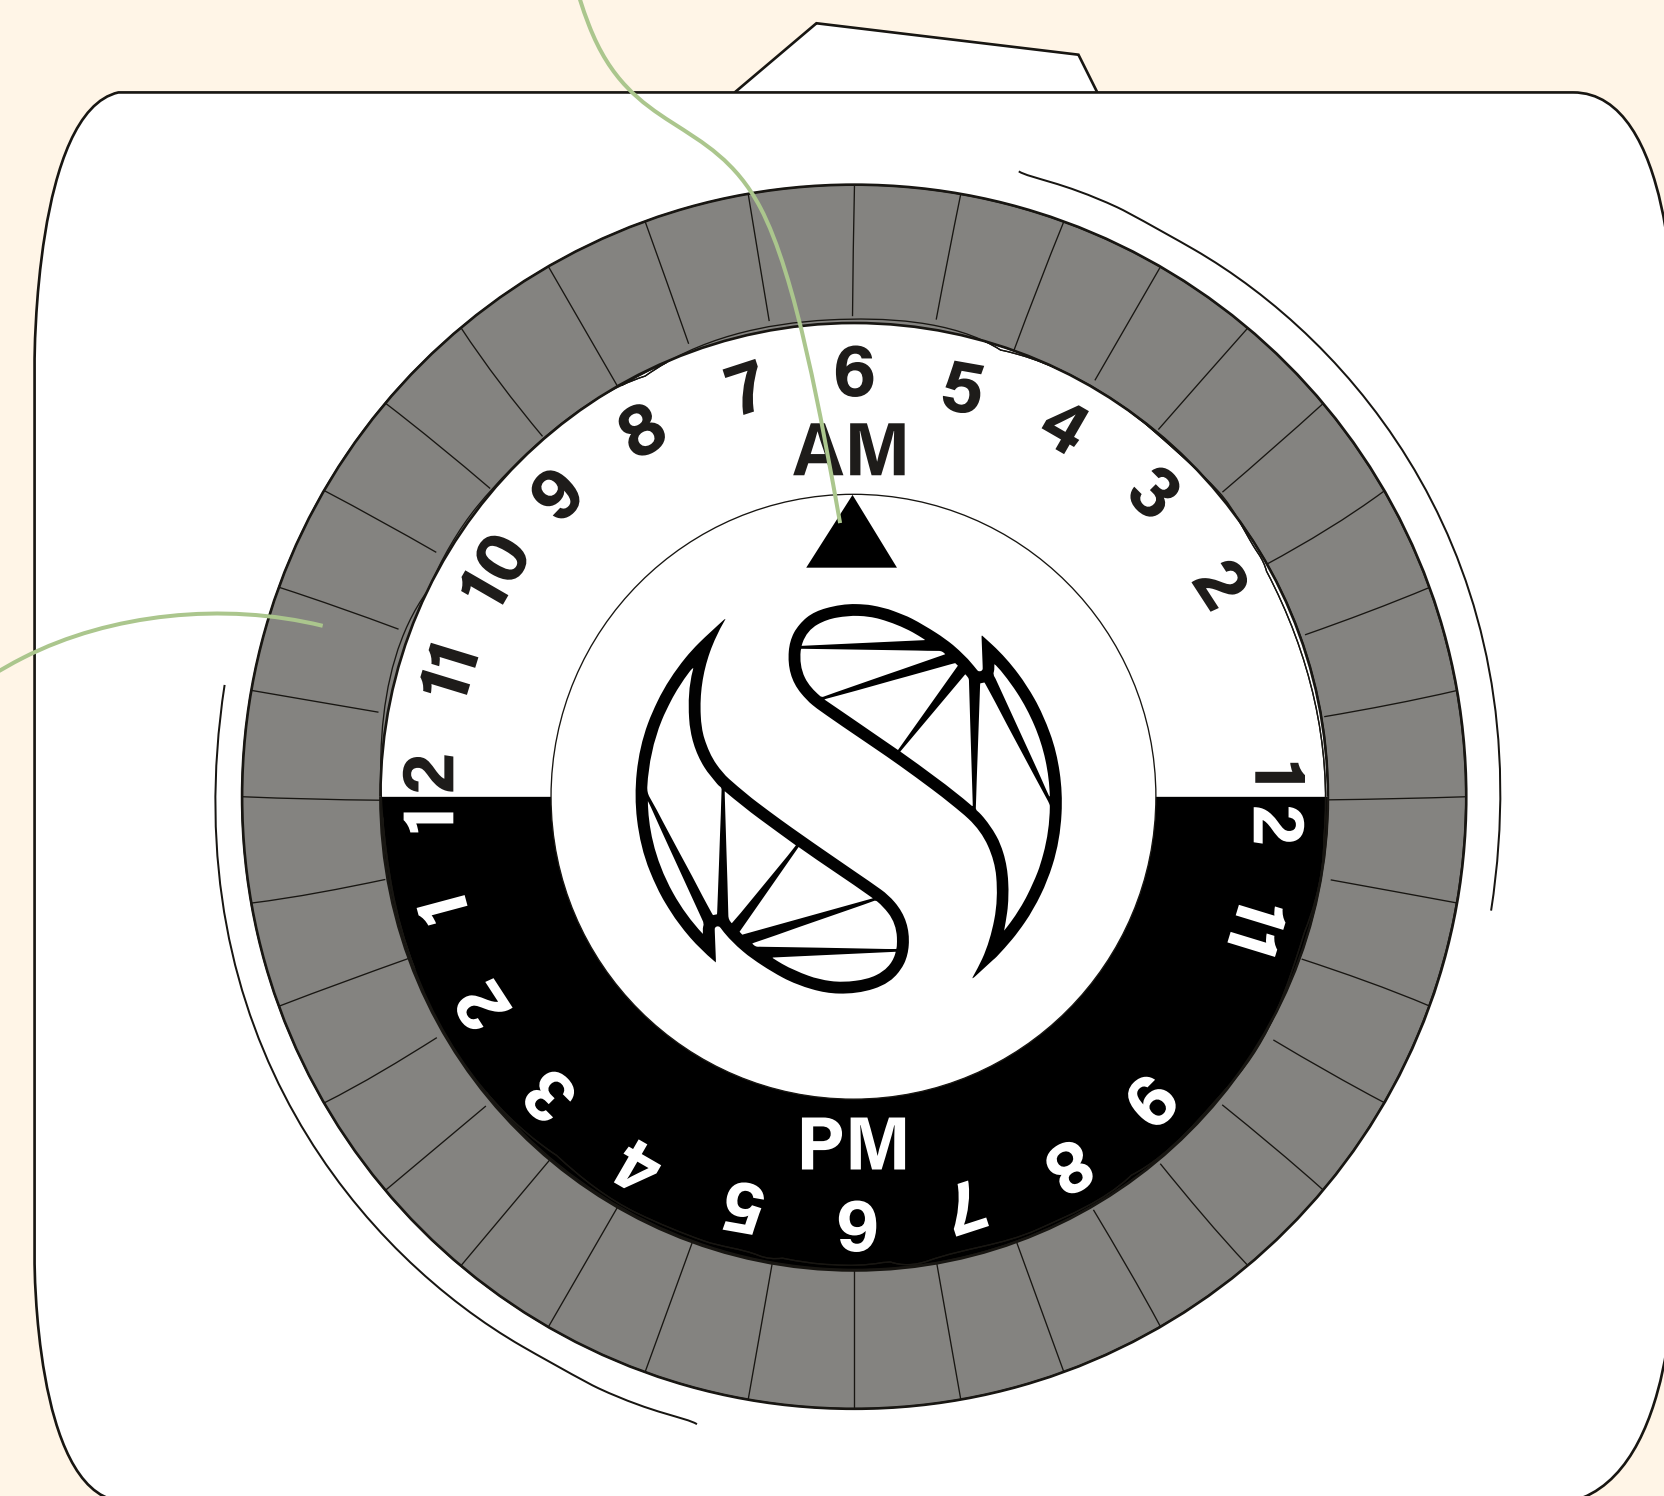

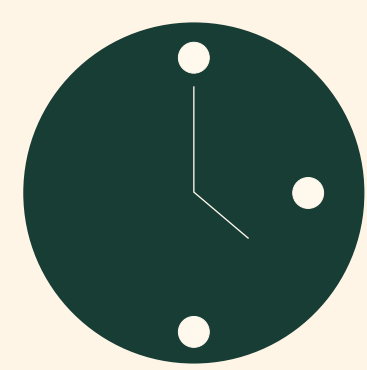

BRIGHTNESS -/+

quick tap once then hold down on the second tap until desired brightness reached

Timer Programming

1

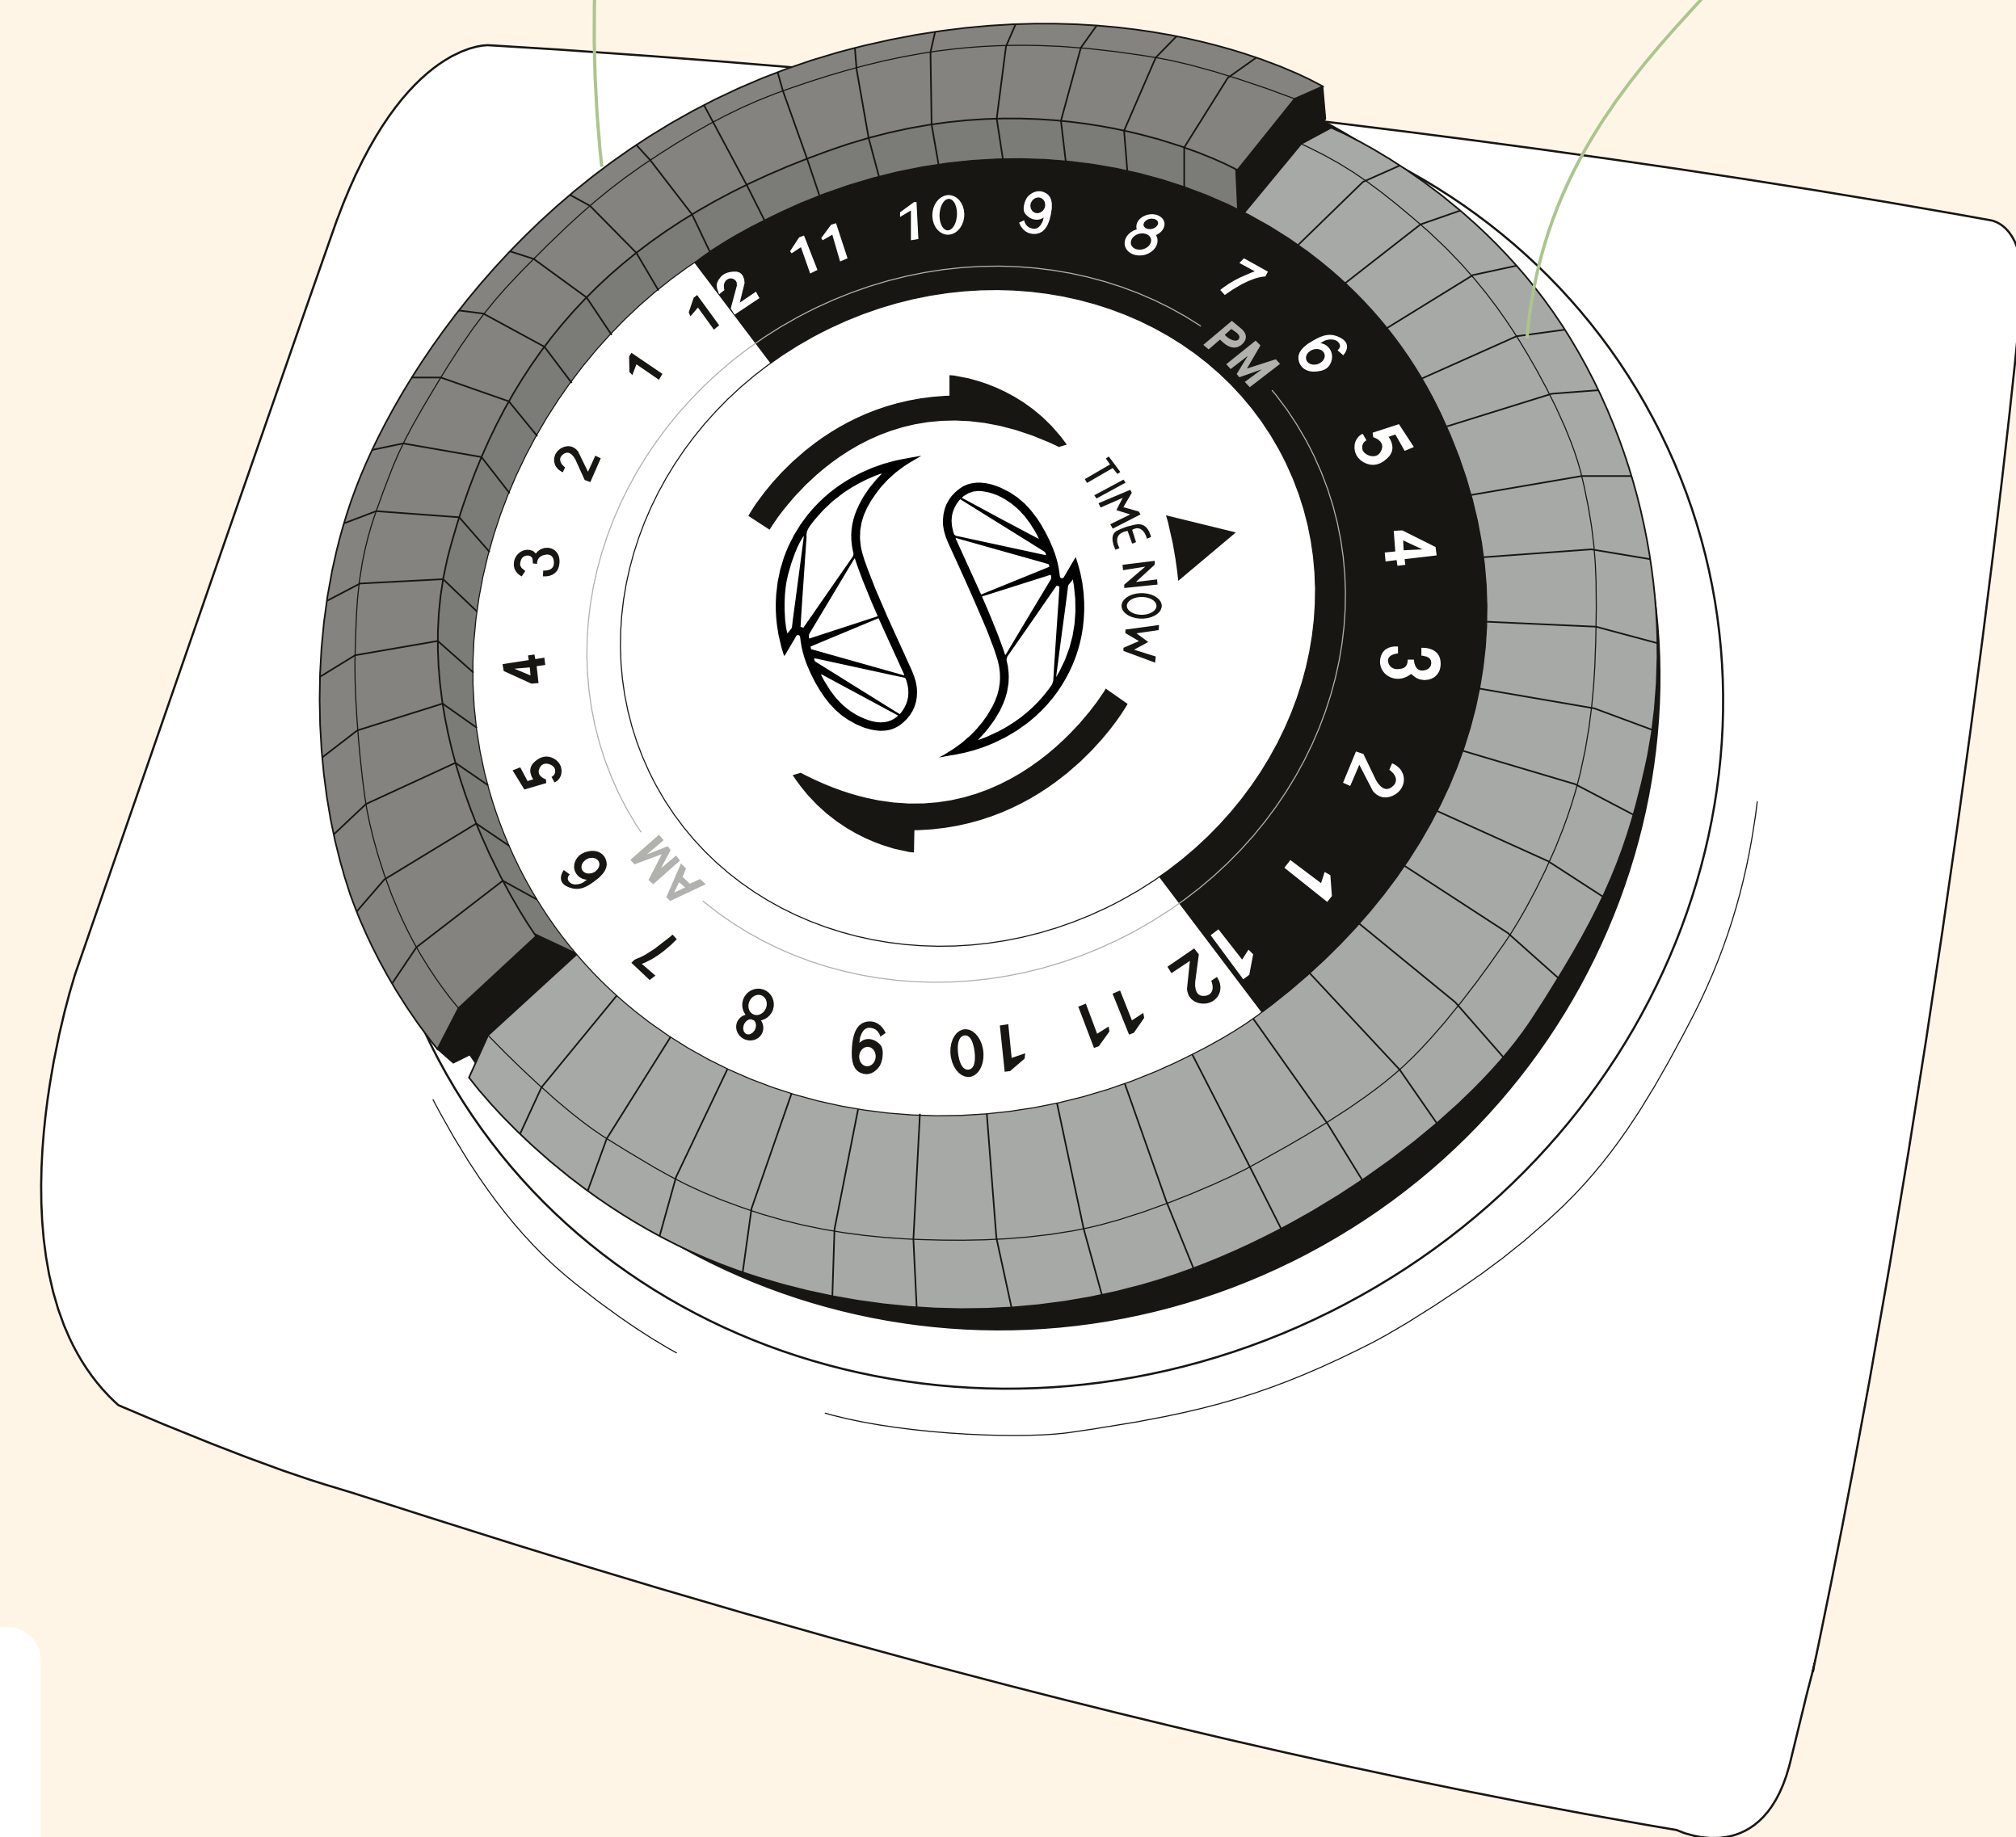

Turn dial clockwise so arrow points to current time

2

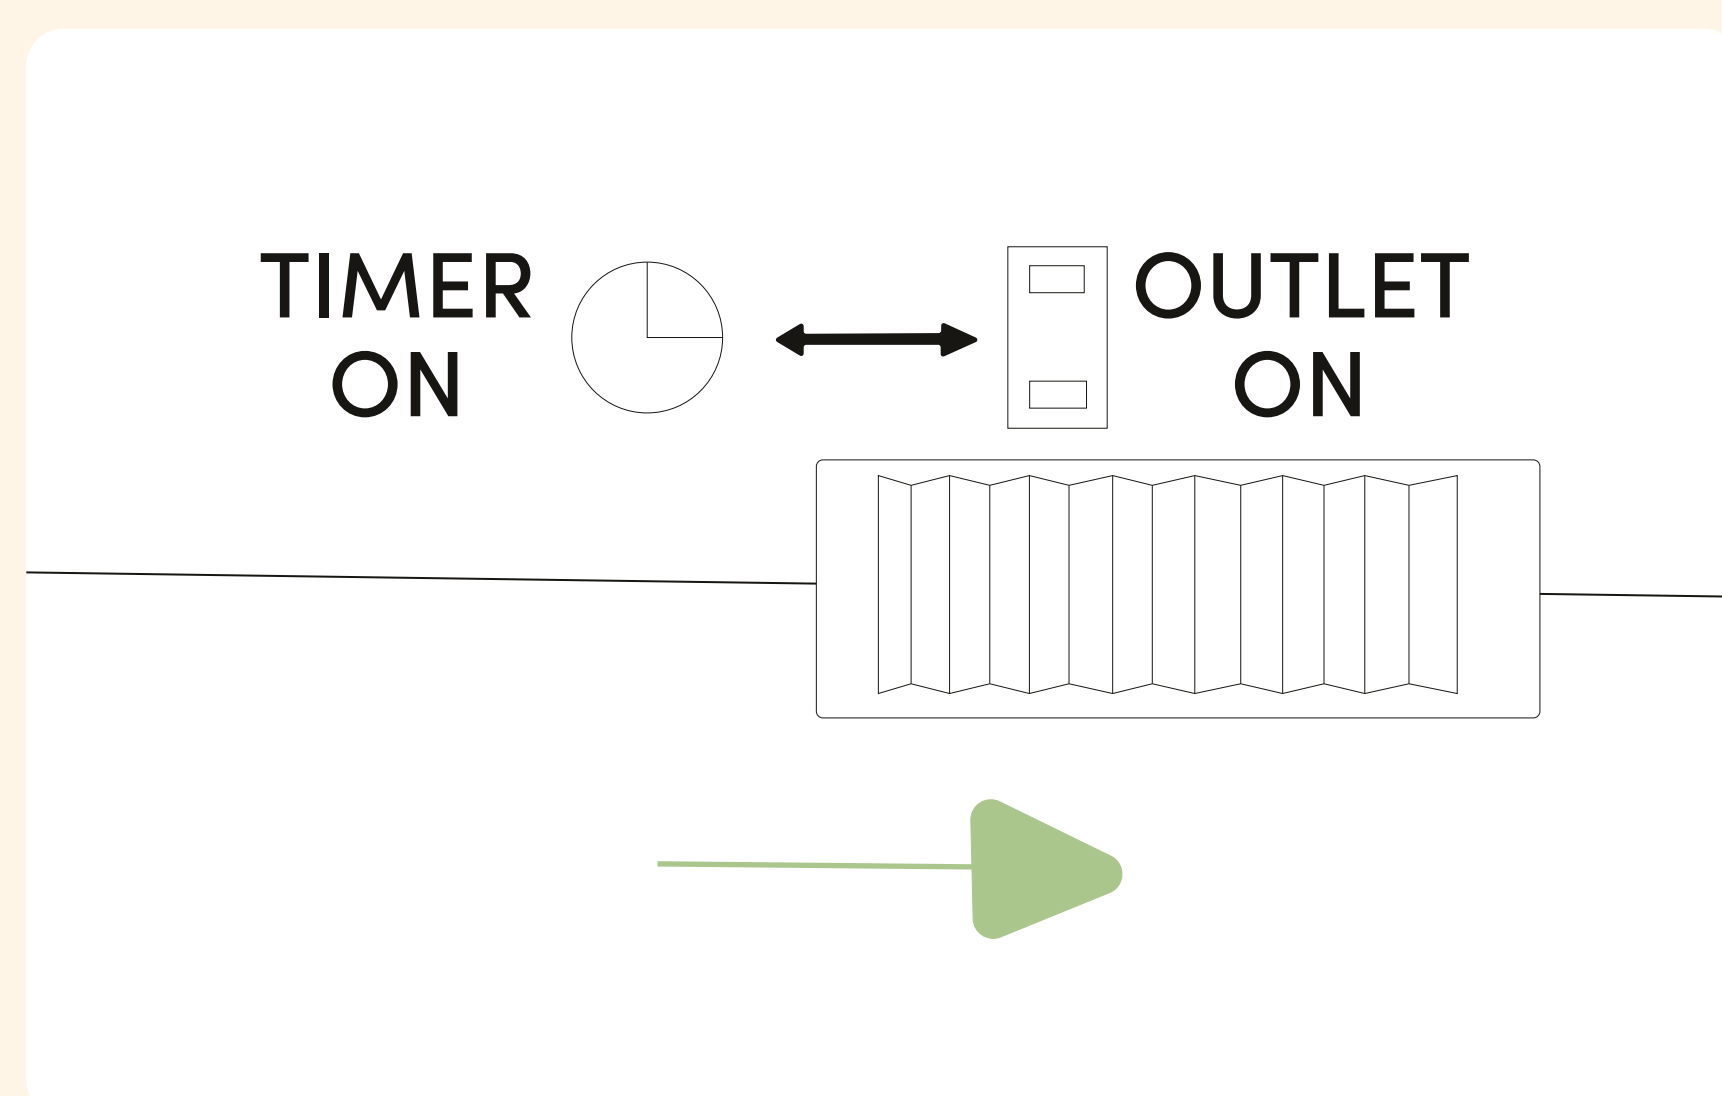

PIN UP
Light OFF

PIN DOWN
Light ON

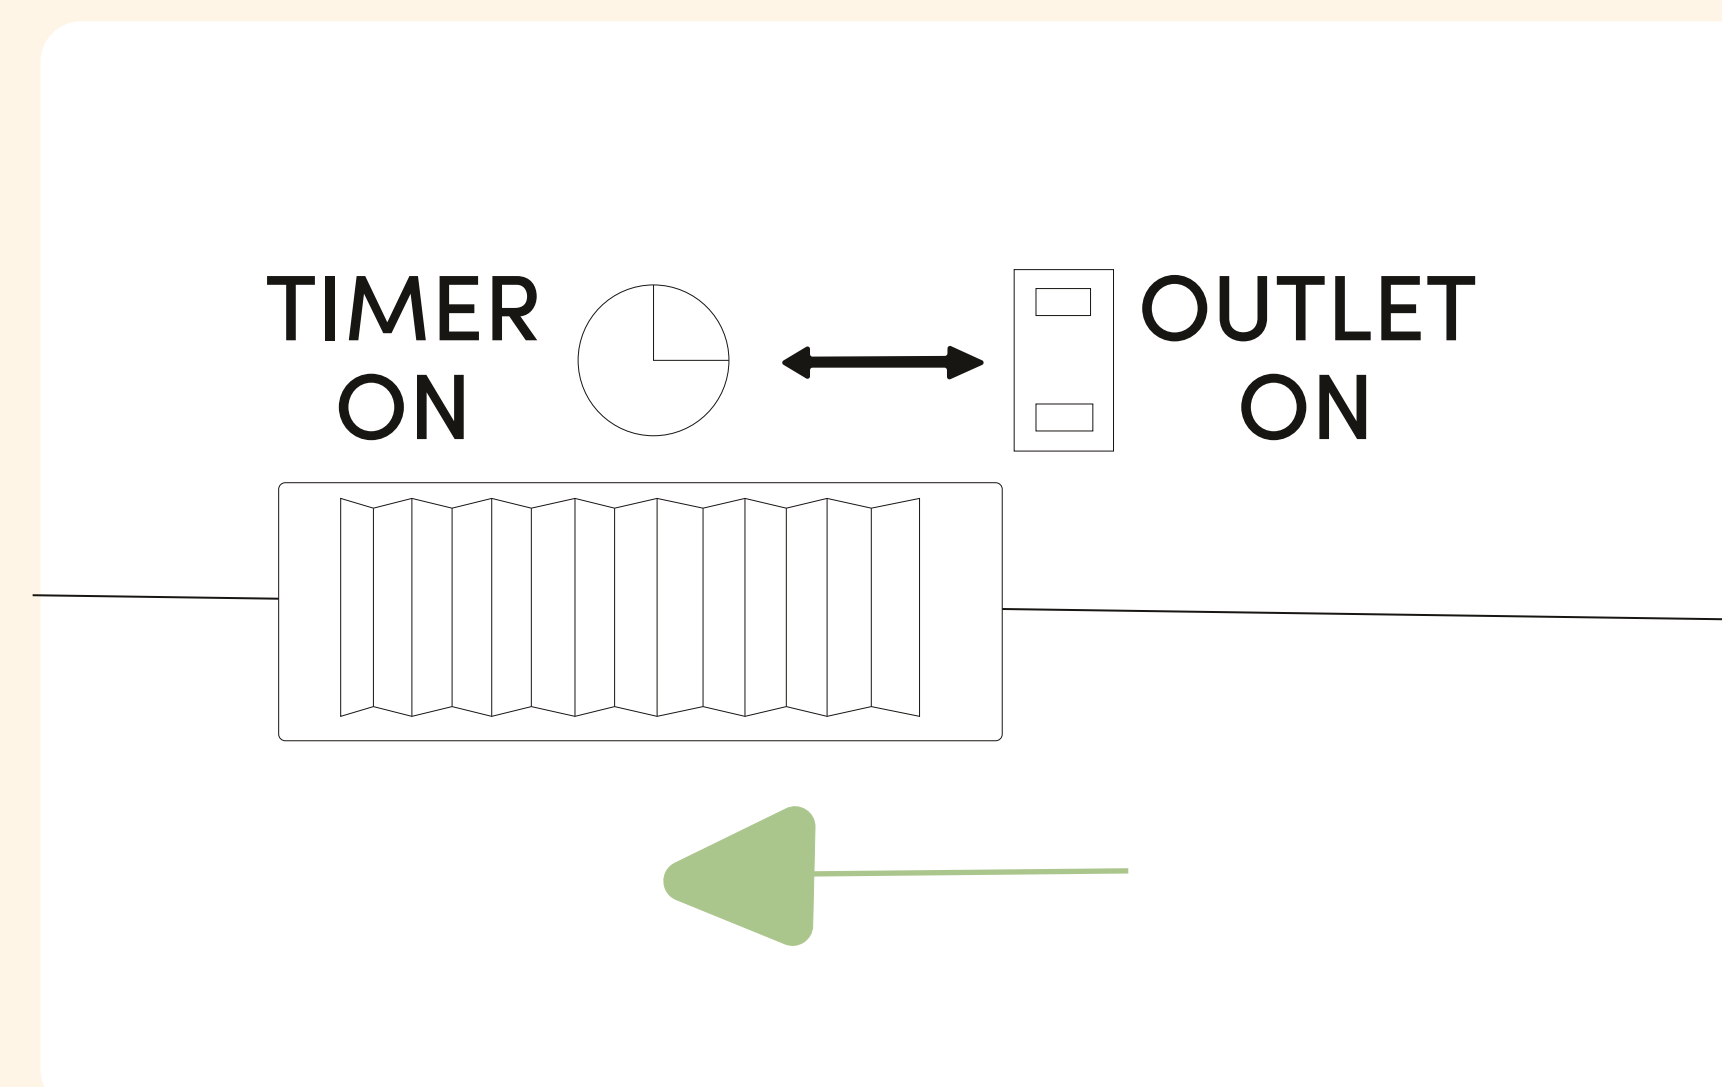

OUTLET ON

TIMER ON

Timer will turn ON and OFF as programmed

Device plugged in will remain on at all times

Example:

It is 4:30pm at time of setup

The arrow is set to 4:30 pm on the dial

The pushed down pins show the light to be ON between 7:00am and 7:00pm

Steps to Sustainability

When we started Soltech, we had a goal to make the best and most **aesthetically pleasing** grow lights. As we grew, so did our carbon footprint. Today we are on the path to becoming **carbon neutral** using more earth friendly materials.

This packaging contains recycleable materials which **eliminates 270,000ft** of tape each year and printed paper **reduced by 75%**. Paper pulp inserts reduce **4 tons of CO2** per year.

Thank you for being a part of our efforts to bring more green to our planet and our lives.

SAFETY FIRST!

Please exercise caution when installing our light fixtures. If you are not comfortable with installation, we recommend working with a licensed electrician.

SAFETY FIRST

- Electrical shock warning, do not try to open or disassemble
- Only use this product described in manufacturers specifications. Any other use may cause fire, electrical shock or injury, and may void the warranty.
- Do not operate if any part of the light is damaged
- This product is not meant for outdoor use
- Do not get product wet
- The use of attachments, hanging devices, dimmers, or pendant cords not recommended or sold by the manufacturer may cause injury
- Avoid direct eye contact with LED
- Do not operate in the presence of explosives and/or flammable vapors/liquids

LA SÉCURITÉ D'ABORD

- Avertissement de choc électrique, n'essayez pas d'ouvrir ou de démonter
- Utilisez uniquement ce produit décrit dans les spécifications du fabricant. Toute autre utilisation peut provoquer un incendie, un choc électrique ou des blessures et peut annuler la garantie.
- Ne pas utiliser si une partie de la lumière est endommagée
- Ce produit n'est pas destiné à une utilisation en extérieur
- Ne pas mouiller le produit
- L'utilisation d'accessoires, de dispositifs de suspension, de gradateurs ou de cordons suspendus non recommandés ou vendus par le fabricant peut causer des blessures
- Évitez le contact visuel direct avec la LED
- Ne pas utiliser en présence d'explosifs et/ou de vapeurs/liquides inflammables

SEGURIDAD PRIMERO

- Advertencia de descarga eléctrica, no intente abrir o desmontar
- Utilice únicamente este producto descrito en las especificaciones del fabricante. Cualquier otro uso puede provocar incendios, descargas eléctricas o lesiones, y puede anular la garantía.
- No opere si alguna parte de la luz está dañada.
- Este producto no está diseñado para uso en exteriores.
- No moje el producto
- El uso de accesorios, dispositivos colgantes, atenuadores o cables colgantes no recomendados o vendidos por el fabricante puede causar lesiones.
- Evite el contacto visual directo con el LED
- No opere en presencia de explosivos y/o vapores/liquidos inflamables

SICHERHEIT ZUERST

- Warnung vor Stromschlag, versuchen Sie nicht, das Gerät zu öffnen oder zu zerlegen
- Verwenden Sie nur dieses Produkt, das in den Herstellerspezifikationen beschrieben ist. Jede andere Verwendung kann Brände, elektrische Schläge oder Verletzungen verursachen und kann zum Erlöschen der Garantie führen.
- Betreiben Sie die Leuchte nicht, wenn irgendein Teil der Leuchte beschädigt ist
- Dieses Produkt ist nicht für die Verwendung im Freien bestimmt
- Produkt nicht nass werden lassen
- Die Verwendung von Zubehör, Aufhängevorrichtungen, Dimmern oder Hängekabeln, die nicht vom Hersteller empfohlen oder verkauft werden, kann zu Verletzungen führen
- Vermeiden Sie direkten Augenkontakt mit LED
- Nicht in Gegenwart von Explosivstoffen und/oder brennbaren Dämpfen/Flüssigkeiten betreiben
