## EGE MARBLE & GRANITE

Founded in 1990, it has been manufacturing the best quality products since then. Ege Marble and Granite was established in 1990 as a small atelier and adopted factory system in 1997. Investments and innovation made by following the latest technology in 2010 contributed to being prominent in its field in domestic area.

Throughout its 33 years of experience, it has worked in all over Turkey and in more than 10 countries. It has met the needs of hundreds of builders, contractors, architects, and interior designers by completing thousands of projects.

Within 3000m2 closed production line, thanks to high technology Italian and Turkish machines, **Ege Marble & Granite** specializes in precision with measurement and attention to details. It pays strict attention not only during agreement of the project but also during production and after completion of installation. **Ege Marble & Granite** always manages to capture the spirit of time by adapting to innovations and featuring a wide range of products from natural to engineered surfaces.

**Ege Marble & Granite**, whose core values are reliability, customer oriented approach and high quality production, aims to be a part of global area by collaborating with architects, interior designers and contractors and give life to unique designs all over the world.

## MARCUS

The epitome of luxury and craftsmanship in bespoke kitchens, opulent bathrooms, and sophisticated interiors since 2022. Our humble origins have paved the way for an illustrious legacy, as we continue to flourish and establish ourselves as a preeminent creator in our domain.

At **Marcus**, we take immense pride in being the preferred choice for elite architects, designers, investors, and developers, both nationally and internationally. Entrusted with realizing their visions, we meticulously attend to every detail, transforming their design aspirations into exquisite realities.

Marcus, a distinguished subsidiary of **Ege Marble and Granite**, traces its roots to a modest atelier founded in 1990, which evolved into a factory system in 1997. Over the past 33 years, **Ege Marble and Granite** has executed projects across Turkey and in over 10 countries, completing thousands of undertakings and catering to the requirements of innumerable builders, contractors, architects, and interior designers.

Our state-of-the-art production facility, sprawling across 3000 m<sup>2</sup>, is furnished with cutting-edge Italian and Turkish machinery, enabling us to excel in precision and meticulous attention to detail. We are vigilant not only during project agreement but also throughout the production and installation phases, guaranteeing that every facet of our work meets our exacting standards.

**Ege Marble and Granite** constantly embraces the latest innovations, offering a diverse range of products from natural to engineered surfaces, capturing the essence of contemporary trends. Guided by our core values of dependability, a client-centric approach, and superior production quality, we are driven to join the global community, collaborating with architects, interior designers, and contractors to materialize unique designs worldwide.

Our unwavering dedication to excellence and our passion for our craft are manifested in every project we undertake. Committed to our clientele, we eagerly anticipate the privilege of working with you to actualize your vision. Thank you for considering **Marcus** for your upcoming project.

**Marcus** Project represents our steadfast pledge to deliver unparalleled service and products to our esteemed clients. From the initial consultation to the final installation, we ensure that each component of the project is addressed with the highest degree of care and precision. Our team of accomplished professionals is devoted to offering bespoke solutions tailored to every client's distinct needs and preferences. Be it a custom kitchen, a lavish bathroom, or an entire interior, **Marcus** Project consistently delivers extraordinary results that surpass expectations. We are honored to contribute to the creative process and the realization of our clients' dreams. Entrust **Marcus** Project with the opportunity to make your design aspirations a reality.
