

Application

1

Sanitise.

2

File the nails to the desired shape and length.

3

Do your cuticle work to remove any dead skin from the nail plate.

4

Buff the nails with a 180 grit buffer to remove the shine.

5

use lint free wipes to cleanse the nails with acetone.

6

Apply base coat.

7

Apply 2 thin, even layers of colour.

8

Apply top coat.

Note:

Between each layer cure under your nail lamp!
