I'm reddish-brown and have a perpetually curled tail. I kind of think that I'm extremely good looking, in a handsome, mouse-like way. My family thinks that I'm a prankster who loves to play tricks whenever I can... well, there may be some truth to that!!!

Mudpie is my brother. He has brown fur and a little nick in his ear... I tell him that his name really should have been "Nick." Amanda blames me for the nick in his ear. I however, blame the piece of cheese that we were both racing to eat. It's not my fault that his ear resembles swiss cheese! Mudpie is really lazy. His two favorite activities are eating and sleeping. He's a true Mouse-potato.
