

Membership benefits

You can be involved much or as little as you like. All members receive our full colour journal and access to other benefits. Also a range of social and other events take place across the country which are open to members and their friends.

And we do these things while celebrating our amazing English history and traditions.

Who are we?

The Royal Society of St George is a patriotic association that promotes loyalty, duty and service to England. We celebrate English culture, history and traditions.

We have enjoyed Royal Patronage ever since the reign of Queen Victoria and are proud to hold a Royal Charter granted to the Society by Her late Majesty Queen Elizabeth II.

We are committed to maintaining the Monarchy and to preserving the unity of the United Kingdom and the Commonwealth.

With a national and international network of branches, we are the organisation for everyone who loves England and is loyal to Crown and Country.

What do we do?

The Royal Society of St. George, a nationwide and worldwide association of people from many different backgrounds and countries, united in their love of England and determined to make the world a better place.

Linked by loyalty to Crown, Country, Commonwealth and Community -

helping others, giving something back to everybody, If you enjoy being with like-minded people, who share an optimistic outlook for England then the Royal Society is for you!

We are dedicated to civic endeavour, charitable work, caring for our community, loving where we live and restoring pride to everyone - these are among the goals of The Royal Society of St. George.
