*December 2023*

Dear Members,

Christmas is four weeks away and a further week on brings another year. 2023 was a busy year for the Society, what with celebrating our 100th (and also our 1st) anniversary and extending our regular event schedule. I've included some photos from a few of this (and last) year's events.

We are delighted to have welcomed new members who joined at the Centenary Dinner and in subsequent months, and we hope to continue this trend in 2024, starting with a Welcome Back Mingle evening in January. More details of that towards the end of the year.

Our remaining events this year are the Monthly Quizzes at W1 this coming Thursday, 30th November and a Music Quiz on Thursday 28th December, plus our popular Christmas Lunch on Sunday 10th December (see details below)

As well as thanking all of you for supporting the Society, I'd like to thank our brilliant sponsors for the huge part they've played in making our events happen, not just this year but in years past too - Plus 3, Melbourne Capital Group, Asian Tigers, Sid's Pubs, W1, The Crown, Sunway Medical Centre, Heritage Wills, Truefitt & Hill, Kamileon Fitness, The Grange, Jarrod & Rawlins, Sausage KL, Southern Rock Seafood, Poblano, Ascott Hotels, Tito's Vodka, Axle, Lazat, Hammam, Wedge and Jennifer Abdullah - and I'm pleased to say that many of them are Society members, as well as friends. If I've forgotten anyone, please accept my apologies.

I'd also like to thank a few people who have helped us in other ways - the wonderful Alex Yoong, for being such an entertaining guest at the Centenary Dinner, Glen Stidolph for putting us together with Alex, Russ Dabbs for his great support and cheeseboards, Kerry Musgrave for her tech support and patience, Alissa Nelson, for giving me the opportunity to have a Nelson at Trafalgar Night and for connecting us with some interesting people, and the Disney family for their challenging quizzes. I'd especially like to thank my fellow committee members, Charlie, Melanie, Tracey, Margaret and Danny for their constant support and advice.

Wherever you may be over the Christmas and New Year period, I hope you have a wonderful time and I look forward to seeing you in 2024.

Ray
