The **KIN Play Mini** requires no additional amplification. Simply pair it with the world's most popular sources and mobile devices and start enjoying your music. Equipped with Bluetooth and aptx HD for wireless streaming. The **KIN Play Mini** can be easily placed in room. The analog and digital inputs allow a variety of sources to be connected: turntables to gaming consoles.

Totem recognizes the challenge that certain sources and recordings create and this is why we have equipped the new **KIN Play Mini** with both bass and treble controls, easily accessible from the remote control, allowing the listener to customize their sound.

The reset option ensures original settings are easily restored.

Beyond Bluetooth, the **KIN Play Mini** has a switchable Phono/ Line stereo RCA input, 3.5mm, optical and a subwoofer output.
