UPC: 744142534824

The **KIN Play** requires no additional amplification. Simply pair it with the world's most popular sources and mobile devices and start enjoying your music. Equipped with Bluetooth and aptX HD for wireless streaming. The **KIN Play** can be easily placed in room. The analog and digital inputs allow a variety of sources to be connected: turntables to gaming consoles. Totem recognizes the challenge that certain sources and recordings create and this is why we have equipped the new **KIN Play** with both bass and treble controls, easily accessible from the remote control, allowing the listener to customize their sound. The reset option ensures original settings are easily restored. Beyond Bluetooth, the **KIN Play** has a switchable Phono/Line stereo RCA input, 3.5mm, optical and a subwoofer output.

Bluetooth Sampling Rate: 8kHz, 11.025kHz, 12kHz, 16kHz, 22.05kHz, 24kHz, 32kHz, 44.1kHz,48kHz

Optical Insampling Rate: 24bit / 192kHz

Decoding: MP2 / MP3, WMA, FLAC(8/16/24bit), AAC/MP4/M4A, WAV(IMA/ADPCM and raw PCM),AIF,AIFC

AMP IN is a feature on KIN PLAY models that allows you to connect an external wifi streamer or audio source directly to the power amplifier, bypassing the internal preamp. This can add WIFI capability for multi room and provide more flexibility in your audio setup like waking up your KIN PLAY'S and volume control from your streamer app.

Unwavering for over 37-years, Totem Acoustic introduces "Kin by Totem" our sub brand that provides a unique portal with more accessible products. Targeted at a wider and more diverse audience, KIN offers audio solutions that are convenient, simple, versatile and with up-to-date technology. Discover your KIN · kinbytotem.com
