MANYMONTHS® NATURAL WOOLLIES ELEPHANT HOOD

The most popular ManyMonths item

Stays in place perfectly

*"Elephant Hood is the best thing!
Thin enough but warm. Sits perfectly.
Not itching or too tight."*

-Anna, Finland

Stretchy back elastic,
fully covered by fabric

Flat seams
throughout

Keeps both head and
chest warm

Great for layering and
babywearing

The Elephant Hoods are also
available in UNiQUE styles
with cute ears, and with
dinosaur spikes.

*If I had to only choose one item (which
is almost impossible, but I will give
it a go) I would chose the Elephant
Hood. It is so versatile, it's just the right
amount of warm, so comfortable,
could be easily worn as a snood if the
child decides so, impossible to lose.*

-Anca, the UK

The smallest and largest sizes don't have back elastic. NewComer is easier to put on and the Enthusiast/Lionheart fits a larger range in height this way.
