

Chain Necklace Lengths

The range of sizes shown in the figure to the left illustrate approximately how each size hangs relative to a wearer's upper body.

| Chain Necklace sizes (cm) | |
|---------------------------|----|
| Length (cm) | |
| 39 | 55 |
| 40 | 60 |
| 41 | 65 |
| 42 | 70 |
| 43 | 75 |
| 45 | 80 |
| 50 | 90 |

The sizes shown in this Necklace Size Guide are commonly used by various necklace manufacturers. However, not every necklace is manufactured by each manufacturer strictly in accordance with the lengths shown. Therefore, we recommend that if you wish to have a particular necklace custom-made to a specific length, contact the Showcase Jewellers store of your choosing to discuss and confirm exactly what your size specifications are and whether or not these specifications will be possible to produce.
