

Folding Your Tent

Step 1: Make sure tent is dry before you pack into bag.

Lay tent out on ground by picking up floor 4 corners and tucking top under tent

Step 2: Fold long side to the center

Step 3: Pull out the front and rear panels to make a triangle.

Step 4: Fold over the front and rear panels onto the main section of tent .

Step 5: Fold tent in half, long ways.

Step 6: Bring ends into center

Step 7: Roll Up!

Step 8: Attach strap and pull bag over top.
