Festive Edits 2023

the gifts garage

The Gifts Garage takes pride in doing things differently.

This festive season try our special edition couture gift boxes to share happiness with your loved ones, employees and customers. We have several gifting options for all tastes - from conventional to contemporary. We can create specialized customized branded gifts to employee personal gifts.

Contact us and our designers will be happy to assist you. We take care of the door delivery for every employee and make it a hassle-free experience for you.

#EmpowerCraft

We are a 100 % women-led company that actively supports rural women on their journey towards **financial independence**, as well as collaborates with NGOs dedicated to helping individuals with severe learning disabilities.

By choosing to partner with us, you'll be making a substantial **social impact**.

Crafted a diverse range of products for this collection, includes soy wax candles, artisanal chocolates, beautifully designed diaries, stylish tote bags, handcrafted torans and wall hangings, intricate macrame coasters, and even complete packaging solutions. Lots of items in this collection is a testament to the dedication and creativity of our NGO collaborators - **Seva in Action, Amogh Foundation and Seva Sahyog** and the talented rural women
