

#RecycleEverything right from your doorstep

With TerraCycle Home, you can recycle over 20 different waste streams your local recycling service won't accept and avoid sending trash to landfills or incinerators. Check out everything you can recycle:

All plastic packaging

Coffee capsules

Styrofoam™

Fabrics and clothing

...and much more!

How it works

Sign up and choose the subscription package that's best.

Collect any of the 24 accepted waste streams at home.

Place your bags on your doorstep or in your collection bin when they're full.

Schedule your pick-up. We'll pick up your bag(s) at the scheduled time and #RecycleEverything inside!

Reward your community

The more you and your neighbors recycle with us, the more you can give back to your community! Trash collected through TerraCycle Home will be recycled into benches and other items that will be donated back to your community's public parks.

Visit terracyclehome.com to learn more.
