

SNOWPEAK®

About Us

With Blessings of Mr. S.R. Bhutani

- The journey started in 1950s with the genuine and original Himalaya Mukhbilas & Himalaya Heera Moti, small scale production.
- In 1970s large scale production was established with the dedication and hardwork of our founder Shri S.R. Bhutani.
- During 1980s, nationwide sales with significant exports were established.
- For 65 years, Snowpeak has been used in Indian homes, business establishment and industries.
- It has carved a niche for itself in the hearts of people by retaining its unique, supreme and fragrant position.

National & Global Supply Chain

- We have 255+ national distributors in India
- Available in 300+ cities across the world
- Global export to 15 countries
