Fruity PEARLS

A full range of Popping Boba using Natural Colors

Boba pearls originated in Taiwan and have recently exploded in UK, USA and Europe as an add on topping to all Bubble Teas, Cocktails and desserts. Needless to say, we, too, got hooked. On nights when we're too tired and just want a refreshing boba drink, we realized there's not much option to get our hands on these boba pearls without going on a trip to a boba shop. Fruity Pearls Bursting Popping Boba was created to meet that need. We wanted it to be more accessible and readily available to the pearl loving-people.
