application

Greetings from Woolpets Central!

We appreciate your interest in becoming a Woolpets retailer. We have been in business since 2007 teaching people the the art and craft of sculptural needle felting. Create fuzzy, felted sculptures using natural and dyed wool roving from happy sheep in the USA and New Zealand. In our humble opinion, sheep are the cutest renewable resource on the planet. We utilize and supply high quality materials and assemble our products in the USA.

Please complete and submit this application to info@woolpets.com or via fax to 360-930-0942. For more information, please e-mail or call us at 888-966-5738.

Thank you for choosing to partner with Woolpets.

Permission is granted to sell on the above listed sites only after application is approved. Listing or selling Woolpets® products on unapproved sites is a violation of this policy.
