Greetings from Woolpets Central!

We appreciate your interest in becoming a Woolpets retailer. We have been in business since 2007 teaching people the the art and craft of sculptural needle felting. Create fuzzy, felted sculptures using natural and dyed wool roving from happy sheep in the USA and New Zealand. In our humble opinion, sheep are the cutest renewable resource on the planet. We utilize and supply high quality materials and assemble our products in the USA.

We would love to introduce some crafty fun to your customers. Please complete and submit this application to [info@woolpets.com](mailto:info@woolpets.com). Please don't hesitate to reach out with any questions you may have.

Thank you for choosing to partner with Woolpets.
