

TIMELESS BOOKS AND INTERNATIONAL MARKETING – TWO STRONG ARGUMENTS FOR AKRES PUBLISHING

AKRES Publishing's palette covers the full range of subfields in the areas of history and Classical studies. We publish scientific papers, essays, monographs, omnibus volumes, series, collections of primary sources, and museum catalogues. Publish with us in one of our 7 languages, and we'll distribute it in more than 25 countries!

„As university-trained historians, our team offers you just the right ambience for publishing your research!“ – Christian Leeck, publisher

Our timeless strategy for you: As a newly founded publishing house, we combine different marketing strategies to make your book available as soon as possible and continue to generate ongoing sales for years to come. Thanks to our dynamic new edition concept, books don't just become zombie titles after a few years but continue to enrich the market.

International distribution: As an international specialist publisher, we distribute our authors' work in more than 25 countries with primary working languages of Spanish, Italian, or French, in addition to English and German. Authors can publish in their own working language or use our translation service. We're also happy to offer bilingual editions.

Our *PLUS!* for you:

- From 40 DIN A5 pages in length
- Print and/or e-publishing
- Specialised marketing
- New edition service
- Publishing in 7 languages
