

REVEDA

PRODUCT SPECIFICATION

Product Identification

Common Name:	Eucalyptus Powder
Botanical Name:	Eucalyptus globulus Labill
Shelf Life:	36 months
Country of Origin:	India
Plant Part Used:	Leaves
Product SKU#	RA106

Physical Analysis

Description	Specification	Test Methods
Form	Fine Powder	Organoleptic
Color	Light Green Color	Organoleptic
Odor	Characteristic	Organoleptic
Taste	Characteristic	Organoleptic
Mesh Size	100% passes through #60 mesh	USP <786>
Loss on Drying	NMT 10%	USP <731>

Microbiology Test

Total Plate Count	NMT 100,000 cfu/g	USP <61>
Yeast & Mold	NMT 1000 cfu/g	USP <61>
E. Coli	Absent	USP <62>
Salmonella	Absent	USP <62>
Staphylococcus aureus	Absent	USP <62>
Coliforms	NMT 100 cfu/g	USP <62>

Sterilization	Steam
Packing	Carton boxes with inner double layer ldpe bags and outer stretch wrapped for a seamless airtight packaging
Health & Safety	The product is manufactured, packed, stored, and shipped in accordance with relevant safety standards
Storage Conditions	Keep closed in a cool dry warehouse, free from infestation and not exposed to direct sunlight
