Flower Jars.

Glass Jars.

PRICING

Straight Sided Clear Glass Jars

CHILD RESISTANT

We work with the top glass manufacturers in the cosmetic industry to produce thick wall glass with the brilliance and clarity to showcase your premium products. Together with our child resistant lined closures, our airtight glass jars preserve and protect your quality flower. With limitless decoration options, our glass flower jars can be customized to bring your brand to life.

The quantity of flower these jars typically hold is dependent on bud size and density. Please be sure to check these capacities with your product.

1 gram Double Shell PP Jars

CHILD RESISTANT

Our patented Double Shell Jar holds 1-2 grams of flower in a small bowl at the top of the jar while maintaining the full body height of our 30 dram jar. The body of the jar allows for a large label panel to accommodate regulatory labeling requirements. The inner jar presents your flower in a convenient bowl without losing bud at the bottom of the jar. Patent #D862,233 S.

66 mm Straight Sided PET Jars

CHILD RESISTANT

The 66 mm PET jar features an extra wide opening to accommodate large buds and automated filling. Extra thick walled PET provides superior impact resistance and extended shelf life to ensure product freshness. Available with a rounded, flat, or tall flat style closure. Choose heat seal lined closures for the ultimate in an airtight, smell-proof, and humidity proof seal.
