# #MAKEITAMAZING

If you're reading this, you have in your hands the culmination of the hard work, creativity, and unparalleled skill of some of the best local artisans this country has to offer. We at DOT TEdi do not believe in the idea of mass production, we believe in handcrafting every single piece with the personalised care, artistry and perfection.

Founded in 2009, DOT TEdi has over a decade of experience in gifting.

We took big steps to ensure the making of these products, by adopting sustainable methods of production and bio-degradable materials and using natural resources conscientiously.
