

# Flexible Shaft LED Grill Light

The **NextLED 200 Lumen Battery Powered, LED Grill Light** allows you to grill even after the sun goes down. It features a slim, compact design so it won't take up valuable space on your grill. It has a strong magnetic base that will adhere securely to any metallic surface on the grill. Its flexible neck and wide-angle head allow you to precisely locate its bright light exactly where you need it. Provides a warm, natural 3,200K light that makes food look consistently good from grill to table.

**CAUTION:** Read all instructions and warnings before operating! SAVE THESE INSTRUCTIONS

**WARNING:** To avoid serious injury or death from electrical shock or fire:

1. This fixture **MUST ALWAYS BE USED IN ACCORDANCE WITH ALL ELECTRICAL AND SAFETY CODES AND ORDINANCES** including the most recent National Electric Code (NEC) and with the Occupational Safety and Health Act (OSHA) Volume 1 on General Industry Standards and Interpretations.
2. **ALWAYS** make certain that the power source conforms to the requirements on the fixture.
3. **DO NOT** inspect or service the fixture while charging.
4. **CAUTION:** Keep dry. Do not open, drop, short-circuit, incinerate, expose to temperatures higher than 140°F, or charge/use if damaged.
5. People with pacemakers should consult their physician(s) before use. Electromagnetic fields in close proximity to heart pacemaker could cause pacemaker interference or pacemaker failure.
6. This fixture is not explosive-proof. **DO NOT** use in potentially dangerous locations, such as in flammable or explosive atmospheres.
7. **NEVER** operate the light with the clear protective glass broken or removed.
8. **NEVER LOOK DIRECTLY INTO LIGHT SOURCE.** LED's are extremely bright and can damage eyes with prolonged exposure.
9. **KEEP AWAY** from heating vents, radiators, or other sources of heat.
10. **KEEP OUT OF REACH OF CHILDREN**
11. **INTENDED FOR INDOOR AND OUTDOOR USE**

3. Charge work light only according to these instructions

## OPERATING INSTRUCTIONS

**WARNING:** READ ENTIRE IMPORTANT SAFETY INFORMATION SECTION at the beginning of this document including all text under subheadings therein before set up or use of this product.

3. Press the button a third time to turn on the light to 80 lumens.
4. When finished using the grill light, press the button a fourth time to turn off.
5. Always store indoors away from children.

## ONE YEAR LIMITED WARRANTY

If this NextLED® product fails due to a defect in materials or workmanship, NextLED® will at its option, repair it or replace it with the same or comparable model, free of charge.

For repair or replacement under warranty, return to the retail establishment where the product was purchased.

This warranty gives you specific legal rights and you may have other rights that vary from state to state.

This warranty is void if damage or defect has resulted from accident, abuse, misuse or faulty repair. In no event will NextLED® be liable for any consequential, special, incidental, or indirect damages of any kind arising out of the use or misuse of this product.

Maximum liability shall not in any case exceed the purchase price of the product including shipping. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above exclusions or limitations may not apply to you.

Your product, accessories and packaging should be discarded in an environmentally responsible way.

Illustrations, figures and photos may vary slightly due to our program of continuous product improvements.

**WARNING!** LED's are extremely bright and direct exposure to eyes may cause injury. Avoid shining LED's in eyes.
