## Rainbow Sorbet BOM

## Block 10

| Background | Fabric A | Fabric B | Fabric C | Fabric D | Fabric E |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Four $2 \frac{1}{2}$ " squares, <br> Four $3 \frac{1}{2}{ }^{\prime \prime}$ square <br> Four $2 \frac{1}{2}^{\prime \prime} \times 4 \frac{1^{\prime \prime}}{2}$ rectangles | One $4 \frac{1_{2}^{\prime \prime}}{}$ square | Eight $2 \frac{1}{2}^{\prime \prime}$ squares | Four $2 \frac{1}{2}^{\prime \prime}$ squares | Four $3 \frac{1}{2}^{\prime \prime}$ squares | Four $2 \frac{1}{2}^{\prime \prime} \times 4 \frac{1}{2}{ }^{\prime \prime}$ rectangles |

Assembly instructions:
Make four $2 \frac{1_{2}^{\prime \prime}}{} \times 4 \frac{1}{2}{ }^{\prime \prime}$ flying geese units with the background rectangles and the fabric B squares. Sew each of these to the fabric E rectangles. These units should measure $4 \frac{1}{2}{ }^{\prime \prime}$.

Make eight HST with the background and fabric D squares. Square up to $2 \frac{1}{2}{ }^{\prime \prime}$. Make four 4-patch units with these HST, the background and fabric $C$ squares. These units should measure $4 \frac{1}{2}{ }^{\prime \prime}$.

Assemble the block in rows, as shown in the diagram. Square up the block to $12 \frac{1}{2}{ }^{\prime \prime}$.
