

L'ABEILLE

SCIENCE-BASED COSMECEUTICALS

At L'ABEILLE we combine an exceptional luxury skincare experience with science-proven actives. Our products are meticulously handcrafted incorporating natural, bio-based and bio-available, high performance ingredients, carefully selected for their performance and results.

Led by our passion for excellence and continual growth in educating our consumer in science-based beauty, we are on a constant quest to raise the standards in the cosmeceutical industry with carefully selected ingredients that are well researched, tested and safe. We only select ingredients that are proven to work at cellular level and have a direct impact on enhancing the beauty of your skin.

INTENTIONAL BEAUTY ETHOS

From our raw material sourcing to the production lines, we are committed to providing luxury skincare of unparalleled excellence and revolutionary results. Our ingredients are carefully selected locally and abroad from trusted and honest suppliers. L'ABEILLE is fully endorsed by Beauty without Cruelty, meaning that neither our labs nor our suppliers conduct testing on animals. We tirelessly strive to select sustainable ingredients that carry the least impact on our environment, without compromise on their efficacy – because our impact matters.

L'ABEILLE creates a uniquely South African experience in each product by combining rare and precious African extracts & botanicals with meticulously procured, science-backed actives to deliver on our promises. Join us on your journey in discovering restored youth & increased radiance.

Cleanse

GEL CLEANSER

100ml

A soft gel cleanser formulated with Colloidal Oat and Aloe Vera Extract to promote repair, soothing and nourishing benefits, while deeply cleansing the skin. Promotes a healthy skin PH, to maintain an optimal barrier function, Bisabolol acts as a powerful antioxidant to support added suppleness, soothing and anti-irritant benefits. Works gently to remove complexion make-up, impurities and SPF to reduce the effects of daily environmental stress and prepare your skin for follow up serums and creams.

PURIFY + CLEANSE

50ml

A unique, multipurpose, 2 phase oil to milk cleansing and balancing fluid. Formulated with a powerful blend of barrier replenishing oils and extracts of Black Cumin, Green Tea and Calendula to promote balance. Provides a feeling of calm and comfort to dry, irritated or blemish prone skin, while gently dissolving make-up, pollution build-up and SPF. Cleans without disturbing the skin's delicate PH balance or barrier function. Leaves skin feeling soft, clean and nourished. Purify + Cleanse is a multipurpose product that can be used as an overnight serum to help balance oily/blemish prone skin.

Treat

HYDRA-MIST

50ml

A prebiotic mist formulated with Ectoine - a natural stress protection molecule, Hyaluronic Acid and Rose Extract. Utilising a scientific approach to improve the appearance of damaged, irritated or dehydrated skin, this multifunctional mist boosts the skin's cellular defence against pollution, visible light and UVA/UVB, IR-A damage. Microbiome friendly actives support and rebalance skin flora for a healthy barrier function. Fine lines and wrinkles appear reduced and skin is left feeling more plump, hydrated and supple.

HYALURON-3

30ml

A light, powerful serum formulated with 3 molecular weights of Hyaluronic Acid, Niacinamide, Panthenol and Sodium PCA to promote brighter, firmer and ultra-hydrated skin at all levels. Microalgae Extract significantly improves the appearance of skin density, fine lines and wrinkles. Skin appears plump, smooth and more luminous, with minimised pores and refined skin texture.

RESURFACING DROPS

30ml

A light, powerful serum formulated with 3 molecular weights of Hyaluronic Acid, Niacinamide, Panthenol and Sodium PCA to promote brighter, firmer and ultra-hydrated skin at all levels. Microalgae Extract significantly improves the appearance of skin density, fine lines and wrinkles. Skin appears plump, smooth and more luminous, with minimised pores and refined skin texture.

GLOW DROPS

25ml

An innovative formula enriched with Squalane, African Seed Oils and Microalgae Extract to promote healthy elasticity, tone and radiance, with a lasting firming effect. Smooths out the appearance of wrinkles and assists in the prevention of premature aging caused by free radicals. Antioxidant and Ceramide Rich Oils nourish dry skin and help to visibly lift and smooth skin texture. A serum to enhance long-term suppleness and support the skin's natural barrier function.

PHYTO-A

25ml

Nature's powerful alternative to retinol - Bakuchiol, is combined with Plant Ceramides, Microalgae Extract and Omega Rich Oils. Formulated using optimal and proven concentrations of actives to strengthen skin against environmental damage and assist with the repair of photo-aging. Significantly improves the appearance of fine lines, wrinkles and pigmentation. Bisabolol helps to calm the skin and reduce the visible signs of irritation. Provides intense moisture for dry skin and promotes a more even looking skin tone, with restored radiance. Skin appears smoother, firmer and renewed with daily use.

ANTIOXIDANT-C

25ml

A proprietary blend of oil soluble Vitamin C, Vitamin E and White Willow Bark Ferment Extract, combined with barrier protecting lipids. Strong antioxidant properties resist environmental stressors and stable Vitamin C supports firmer looking skin. Dramatically reduces the appearance of fine lines, wrinkles and pigmentation/age spots. Regular use promotes brighter, more radiant skin.

Moisturise

YOUTH BOOST

30ml

A light, non-greasy formulation with Microalgae Extract and Ectoine to promote smoother skin with increased elasticity and reduced irritation. Anti-inflammatory ingredient science soothes and calms, while minimising the appearance of fine lines and wrinkles. Boosts the look of youthful skin vitality and radiance. Satin-like texture enriched with Hyaluronic Acid supports cellular hydration and antioxidant benefits.

PEPTIDE RESTORE

30ml

Using advanced science, this powerful and rich textured cream is the ultimate anti-aging moisturiser that delivers both immediate and long-term benefits. Biomimetic Copper Peptides promote cellular restore and Niacinamide brightens the appearance of dark spots and uneven skin-tone. Microalgae Extract support firmer, more plump and supple looking skin, while lipid-rich botanicals have a lasting effect on skin radiance and glow.

Thermal Cleansing Brush

Device Dimension: 63 x 65 x 31mm (L x W x H)

The Compact Thermal Cleansing Brush is a state-of-the-art skincare device designed to provide deep and effective cleansing for your skin, bringing you an improved facial cleansing experience. With ultra soft silicone bristles and 3 adjustable intensities, it combines gentle vibrations with thermal technology to remove impurities, makeup and dead skin cells, leaving your skin feeling fresh, smooth and rejuvenated. Comes in an elegant storage case for the device and charging cable, making it perfect for travel.
