Operator, Large Scale Equipment

Join our exceptional team of Operators and get in on the ground floor of a growing industry! We are seeking to hire several full-time Operators to join our team in Green Island, NY.

What You’ll Love About Us:
- **Fantastic Team Culture.** Innovative team with diverse interests (from artists to off-grid living).
- **Excellent Benefits.** Health, dental, vision, retirement, EAP, PTO, tuition reimbursement
- **Time to Connect.** Earth Day community work, retreats, holiday events, pie day, costume competitions, pumpkin carving, outings, food, etc.

Ecovative’s Operators are responsible for the following:
- Safely operating production equipment in a team environment
- Maintaining a clean work space during operations
- Cleaning equipment and workspaces thoroughly at end of shift
- Moving bulk materials using a fork truck and/or pallet jack
- Preparing shipments for delivery to customers and receiving bulk deliveries of raw materials
- Sharing ideas for how our operations system can continuously improve

Minimum Qualifications and Competencies:
- Experience working in a manufacturing environment
- Strong attention to detail
- Ability to complete physical labor over an 8-hour period
- Ability to work on your feet and lift up to 20-pound for extended periods of time
- Ability to communicate effectively both written and verbally
- Comfortable working in a dynamic, fast-paced environment
- Ability to work mandatory overtime on occasion

Preferred Qualifications and Competencies
- Demonstrated experience leading small groups
- Lean manufacturing experience
- Clean room experience
- Operation of experimental and early-stage production equipment
- Mechanically inclined and can troubleshoot equipment

Ecovative is an Equal Opportunity Employer.
