10 Most-Wanted Items of the Week: March 7-13

Winter is in full swing, but fortunately, spring is right around the corner. With that in mind, it's time to update your wardrobe with essential items for the upcoming season. From chic office attire to statement-making accessories, we've put together a list of everything we're shopping for this week.

Keep reading to see our picks, and click on the corresponding links to buy them.
