

metal  
line

# metal line

---

**METAL LINE** è la nuova collezione di accessori per hairsalon e barbershop ideata da Takara Belmont Italy e prodotta interamente in Italia. Si compone di una serie di complementi realizzati in metallo in diverse finiture, caratterizzate da un'estrema versatilità. L'elemento cardine è costituito da mensole calamitate progettate in base a specifiche necessità di lavoro che, con grande facilità, possono essere applicate al carrello e ai piani di lavoro e, altrettanto facilmente, sostituite a seconda delle diverse esigenze.

**METAL LINE** is the new collection of accessories for hair salons and barbershops designed by Takara Belmont Italy, entirely made in Italy. It is made up of a series of metal parts with highly versatile types of finishes. The key element are magnetic shelves designed to meet specific work needs. They can be easily applied to the trolley and work surfaces, as well as easily replaced depending on the various needs.

# jolly metal

multifunction trolley

---

**Ottimizzi gli spazi,  
lavori con più comodità.**

Con l'innovativo sistema di mensole magnetiche di Takara Belmont è sufficiente un carrello per avere sempre a portata di mano tutto quanto serve durante i diversi servizi in salone. Jolly Metal può dotarsi infatti, alternativamente o in maniera combinata, di mensole porta-forbici o porta-rasoi/trimmer per l'assetto "taglio", di quelle porta-ciotole e pennelli quando si effettua una colorazione oppure di mensole porta phon/piastra e spazzole per quando si procede alla piega e allo styling. Alternando i diversi moduli, è possibile così ridurre il numero dei carrelli in salone, ottimizzando al meglio gli spazi disponibili. Ideale per ambienti di piccole dimensioni.

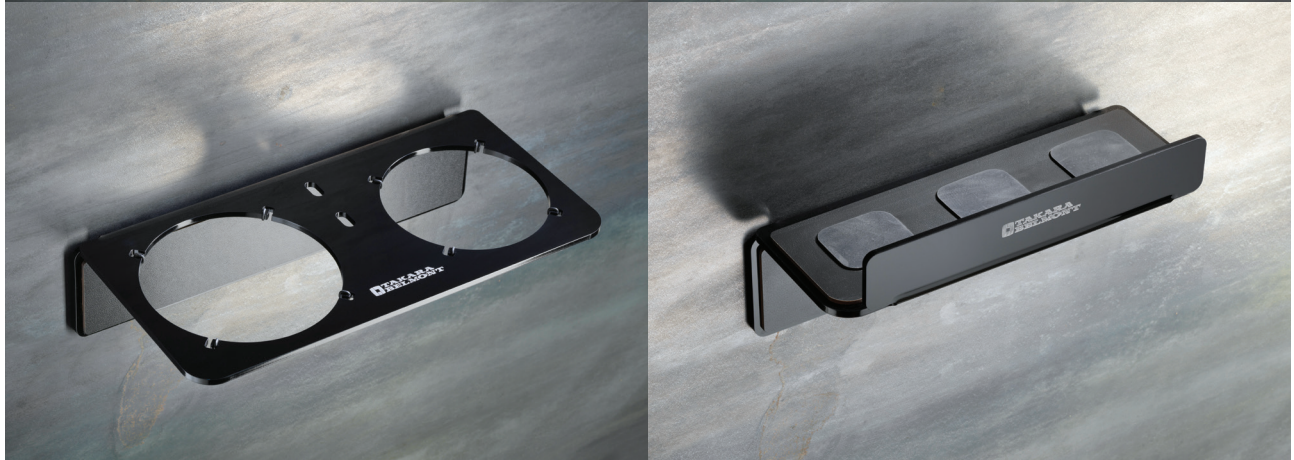

---

**Optimize space,  
work comfortably.**

*With Takara Belmont's magnetic shelves innovative system, one single trolley is enough to have within reach all is needed for different salon services.*

*Jolly Metal can indeed be equipped with shelves for alternative or combined setups: scissors or razors/trimmers for the cut setup, bowls and brushes for the colour setup or hair dryer/iron and brush holders for hair drying and styling. Just by changing the different modules, it is possible to reduce the number of trolleys in salons and optimize space. Ideal for small facilities.*

---

### Versatile anche nel look.

Jolly Metal è disponibile sia nella versione cromata, sia nella versione satinata effetto “tela di lino”. Può inoltre ospitare fino a quattro cassetti in metallo, scorrevoli e intercambiabili ed è dotato di ruote anti-capelli a basso-attrito.

Su richiesta possono essere forniti pannelli magnetici da applicare alle fiancate nei colori o decori che meglio si intonano allo stile del salone. Per una personalizzazione senza limiti.

TAKARA BELMONT

# work metal

workstation

### Funzionalità minimal style.

Work Metal è una postazione di lavoro in ferro verniciato, caratterizzata da essenzialità ed eleganza. Come nel carrello Jolly Metal, le mensole magnetiche consentono di avere sempre a portata di mano tutti gli strumenti necessari, lasciando il piano di lavoro sempre in perfetto ordine. Il suo design lineare e pulito la rende in grado di integrarsi perfettamente in ambienti di ogni stile. E' disponibile in versione singola (a parete) o doppia (free standing).

### Minimal style functionality.

*Work Metal is a workstation in painted steel characterised by an essential and elegant style. Like in the Jolly Metal trolley, the magnetic shelves always allow to have all the necessary tools at hand leaving the work surfaces perfectly tidy. Its clean design makes it suitable for all salon styles. It is available in single (wall) or double (freestanding) version.*

# jolly metal easy

## Modulare anche nel budget.

Per non rinunciare ad una scelta di stile, rispettando specifiche esigenze di costo, Jolly Metal è proposto anche nella versione Easy. Alla struttura, in metallo cromato o tela di lino, si agganciano con praticità due piani multifunzione termoformati. Gli ampi cassetti possono essere termoformati o in metallo cromato o satinato.

---

**Modular budget.**

*In order not to give up a style choice, respecting specific cost needs, Jolly Metal is available in the Easy version too. Two thermoformed multi-purpose shelves in chrome-plated or linen canvas finish can be fastened to the structure. The roomy drawers can be thermoformed or in chrome-plated or satin finishes.*

# Il Metal Style Made in Japan

Il proverbiale rigore e minimalismo giapponese si esprime in una serie di accessori di design in metallo.

*The traditional Japanese rigour and minimal style come to life in a series of metal design accessories.*

---

## **D-Galley Trolley**

Carrello alto con ruote per avere tutto il necessario a portata di mano. È composto da un cassetto profondo, due vassoi removibili in acciaio inossidabile e un ripiano a scomparsa con supporti per asciugacapelli, spazzole e ciotole. Ha inoltre un supporto porta specchio laterale ed è disponibile con o senza cassetto. Finitura in acciaio spazzolato.

---

## **D-Galley Trolley**

Tall trolley with castors to have whatever you need at hand. It is made up of a deep trolley, two removable trays in stainless steel and a foldaway shelf with stands for hair dryer, brushes and bowls. It is equipped with a side mirror stand and it is available with or without drawer. Brushed steel finish.

---

### **Stack Trolley**

Carrello impilabile, per occupare il minor spazio in salone, con ruote stabili a basso attrito. È composto da due vassoi pieghevoli in acciaio inossidabile ed ha la maniglia di trasporto removibile. Finitura cromata.

---

### **Stack Trolley**

*Stackable trolley to optimize space in salons, with stable and low friction castors. It is made up of two fold-up trays in stainless steel and a removable handle for carrying. Chrome-plated finish.*

---
