

STACKING ARM CHAIR
W 24" / D 22.5" / H 32.5"

Ryder Stacking Arm Chair

Perfectly poised, Ryder's slim powder coated frame boasts a toughness belied by its delicate appearance. The converging lines of this stackable stainless steel frame are inspired by more traditional folding chairs. Ryder's designer chose a unique twist - omit the folding mechanism, creating an unprecedented minimalism. Finely balanced on scissor-like legs, this architectural chair is purely aesthetics driven.
