

Loft Tables

Featuring a surface that emulates semi-polished concrete in look and texture, Loft table tops are constructed from high pressure laminate that easily resists scratching, dents, and moisture. Architecturally simple aluminum legs complement the HPL top for breezy maintenance and tasteful flair. This table series does not offer umbrella holes.

LARGE RECTANGULAR TABLE

W 87" / D 37" / H 29"

SMALL RECTANGULAR TABLE

W 63" / D 37" / H 29"
