

# Controversial Topics for next Argumentative Essay Assignment - 2022

Wanna stir up a little bit of contention? Just a little bit, I guarantee you.

Obviously, that is the fun in argumentative [EssayWriterNow](#). You can write about controversial topics and take whichever side that you want. Nobody can stop you as long as your arguments are valid.

They are right here.

## Topic #1: Animals in Zoos

Zoos are viewed as a position of fun by many. You take kids there and they appreciate watching confined animals. Cool. Or on the other hand, is it?

Perhaps it is not cool. Perhaps it is not innocuous tomfoolery. Perhaps it is barbaric to keep those animals secured in there. Remember, quarantine? Imagine how terrible it is for those animals.

In any case, the thing here is that you need the best [essay help](#) topic to write the best essay.

## Topic #2: A New Subject

Alright, so imagine this.

Your school wants to show another mandatory subject and they want the understudies to decide.

Which subject will you pick and why? You can pursue a pleasant decision like mainstream society movies or an interesting one like financial literacy.

You simply need to have an adequate number of points to protect it. So, I decided to [do my papers](#) that so I could bring you the best topics in question.

### **Topic #3: Actors Payment**

Actors are paid a ton. Like a ton. Like Robert Downey Jr. getting \$20 million for his job and another \$55 million from the film.

Presently, the question is that perhaps this is TOO MUCH. I mean individuals are starving and we have homeless individuals and no medical services and understudy loans.

Likewise [how much is an essay](#) topics are adequately simple to find. However, you need to scan a great deal for the great ones.

Things being what they are, should RDJ get \$75 million?

### **Topic #4: Nuclear Weapons**

Ok! To be or not to be, that is the question. Are these weapons a blessing or a revile?

On one hand, we don't have World Wars anymore. Then again, such countless countries on the planet are at war. It's simply that they are using traditional weapons that we sell them.

Then, at that point, we additionally have incidents like Hiroshima and Nagasaki.

I, for one, needed to ask others to [do my essay](#). Be that as it may, you can attempt to write one all alone with these topics.

### **Topic #5: Wealthy Nations**

In this world, we have rich nations like us and then we have unfortunate nations who cannot afford a ton of things that we can.

We have created countries and immature countries.

Presently, we as a whole discussion about the rich sharing their cash with poor people so does that mean that rich nations ought to impart their cash to the less fortunate nations too?

### **Topic #6: Space Exploration**

Elon Musk is totally supportive of it. Be that as it may, is it wise?

At any point can we find a planet that is basically as sustainable as the one we have right here?

Is it true or not that we are making a decent effort or would we say we are wasting our assets on a venture that is not likely to bring us any outcomes?

These are the questions that you need to answer.

### **Topic #7: Taxes on Junk Food**

Definitely! We have a great deal of [high quality papers](#). Yet, you understand what we likewise have in bounty? Obesity.

Due to the exceptionally inexpensive unhealthy food that is available EVERYWHERE. Quality food is exorbitant and unfortunate food isn't and that is a crisis.

All in all, would it be advisable for us to burden undesirable food to improve the lives of our kin?

Here are your topics.

These topics can help you begin on your discussion. And if they don't kick you off then an [essay service](#) will. You will need to do this.

Find such a service. Ensure that they are legit. Contact their customer backing to get information.

Submit a request and wait for your paper. There's nothing more to it.
